

Ahouse Won't Be Candidate

The beginning of the new year generally prompts the initiation of the town election season, but to date, there has been no activity.

David R. Ahouse, chairman of the school committee, is not expected to seek re-election when his term expires with the annual town election on March 26.

But, other incumbents, or candidates, have field to signify any intent, either through the obtaining of nomination papers at the town clerk's office or by public announcement.

Selectmen Susan T. Poore and Virginia Cole whose terms expire this year, reported this week they have not made a final decision on seeking re-election.

Ahouse, who will be completing his second term on the school committee has indicated that he will not be a candidate for another three year term.

The term of School Committeeman Joseph Finn also expires this year and no decision has been made on his part as yet.

Moderator James D. Doherty, completing his first one-year term in that post, will seek re-election and has obtained nomination papers from Town Clerk Elden R. Salter.

Also on the ballot this year will be a seat on the Andover Housing Authority. Thomas R. Wallace is the incumbent. the

New Or Renovated School Siteless For The Moment

He's Got The Answer

Scott Bernard, first grader at South school, was quick to respond with the answers Tuesday as grandparents day was observed at the school. Grandparents visited classrooms in the morning, then shared historical data with the youngsters in the afternoon. Other photos, pages 24-25.

By Linda S. Corbett

The Andover School Committee opened up a whole new kettle of fish Tuesday night, when they began considering possible sites for a new East Jr. High.

While the decision on whether to renovate or build has yet to be made, the committee voted to set aside further study of the former for the time being, and to concentrate on new construction.

The administration appeared to lean toward the present East Jr. High-Doherty site for a new building, and against another school at the Shawsheen road "campus." But three other possibilities loomed into the picture: town-owned land at South and Sanborn Schools, and an enormous parcel out on Cross Street in West Andover.

A Bancroft parent was quick to express that neighborhood's opposition to moving the junior high to another part of town. Sewerage, sidewalks, commercial traffic and impact on surrounding neighborhoods were among the concerns raised about the alternatives.

Further discussion of the sites, as well as selection of a design for an auditorium at the high school (see separate story) will appear on Tuesday night's agenda. The committee will meet at 7:30 p.m. in Stowe School.

Site Criteria

Chairman David Erickson and members of the planning board turned out this week to hear what criteria they should use in

studying various sites for a new school, and Supt. Kenneth R. Seifert responded with a list that included the campus versus the neighborhood school, flexibility, athletic fields, safety, cost, use of site by the students, and security.

When he came here in 1969, Seifert said, he felt the campus-type school was most appropriate. He said he now feels, however, that Andover residents are more committed to the old neighborhood school concept.

Furthermore, he said, social patterns have changed considerably, along with alienation of youth for a "variety of reasons." He admitted to a drug problem, even some "wheeling and dealing" at Andover High, and therefore opposed putting all 3,000 secondary pupils at one location.

He said there was no question that a campus lends itself to greater use of core resources, but felt negative social impact far outweighs that advantage.

More than 75 percent of the pupils he's talked to, Seifert went on, appreciated their junior highs more than the high school, because of the smaller sizes.

He spoke up for the "flexibility" of the present East Jr. High site, maintaining that a new building could be used as a middle school or a high school, depending on future population trends.

He said he felt any site should have athletic fields of adequate size to accommodate the school system's physical education programs as well as various town programs.

In the area of safety, he noted that building in an area without sidewalks will

Named Superintendent Of Area Reservations

Stephen E. McMahon of Kingston, a specialist in landscape management, has been appointed Superintendent of the Trustees of Reservations' Andover-North Andover Management Unit.

A graduate of the University of Massachusetts, McMahon is responsible for protecting and maintaining three of the 88-year-old conservatoion organization's now 64 properties located from Berkshire County to Cape Cod, Martha's Vineyard and Nantucket.

They are the Stevens-Coolidge Place, North Andover, a museum house and 89 acres of gardens and pastureland; Weir Hill Reservation, North Andover, 183 acres of woodland and field bordering Lake Cochichewick; and the Charles W. Ward Reservation, Andover, 598 acres of forestland and fields, including an interpretive trail and boardwalk at Pine Hollow Bog.

Announcement of McMahon's appointment was made by Wayne N. Mitton, supervisor of the Northeast Management Region for The Trustees of Reservations. Mitton served as Superintendent of the Andover-North Andover Management Unit until he was named regional supervisor last October.

Mothers March Scheduled

The Annual Mothers March of Birth Defects, a drive against America's major child health program, is scheduled for the week of Jan. 22.

"Mothers March volunteers this year will distribute health education literature about low birthweight," says Sandra Collins, Mothers March Chairman. "Low birthweight is the leading cause of infant death and the major cause of childhood disabilities. With early prenatal care and good nutrition during pregnancy, many women could reduce the risk of having seriously ill babies."

Birth defects strike more than a quarter-million babies each year. Mrs. Collins reports that March of Dimes funds provide special medical attention for women suffering complications during pregnancy and intensive care for critically ill newborns. Other funds make possible health education, research, and community service programs. All of these are aimed at giving every baby a healthy start in life.

"I am very pleased with Steve McMahon's appointment," Supervisor Mitton said, "and I am confident that properties in the Andover-North Andover Management Unit will benefit greatly from his energy and experience."

McMahon graduated from Sandwich High School in 1974 and received a bachelor's degree in Park Administration from the University of Massachusetts, Amherst, in June 1978. At the University, he was President of the Arbor/Park Club and also represented some 60 Park Administration students at regular meetings of the faculty.

His interests include bicycling, hiking and camping, as well as carpentry and craftwork.

Before joining the staff of The Trustees of Reservations, McMahon was employed by the Heritage Plantation, a widely-known museum of Americana at Sandwich. A member of the grounds crew, he helped to care for lawns, trails and vegetation at the 76 acre plantation where over a thousand varieties of trees, shrubs and flowers surround historic buildings and exhibition halls.

Superintendent McMahon and his wife Marsha will live in North Andover in the Superintendent's cottage at Wood Lane, adjacent to the Stevens-Coolidge Place. Mrs. McMahon teaches home economics at the Junior High School in Hanover.

Cattle still graze in pastures at the Stevens-Coolidge Place, and the main house, known as "The Home Place" is much the same today as it was 60 or more years ago. Its elegant interior reflects a gracious and sophisticated life of an earlier era.

The oldest portion of the house was constructed around 1800 and once served as a Tavern. In 1914, Mr. and Mrs. John Gardner Coolidge rebuilt the Home Place and furnished it with decorative art collected on trips to Asia, Central America and Europe. The Stevens-Coolidge Place was bequeathed to The Trustees of Reservations by Mrs. Coolidge, the former Helen Stevens, in 1962.

Privately-administered, it is supported entirely by gifts and grants, income from endowments and limited admission fees.

The Trustees of Reservations is a charitable corporation founded in 1891 to preserve for the public beautiful and historic tracts of land in Massachusetts.

Contract Dispute To Fact-Finding

The long-standing contract dispute between the Andover School Committee and Local 380 of the Teamsters Union — the school administrators — is now in the fact-finding stage.

School Committeeman Joseph Finn told the school committee

Tuesday night that attempts at mediation have failed and the Department of Labor Relations has named a fact-finder.

The dispute is basically a difference over the distribution of raises.

No Shots, No School

Supt. Kenneth R. Seifert said Tuesday night that 160 to 170 pupils in Andover schools don't comply with the state immunization regulations, and that if they don't have their shots by Feb. 3, they

won't be allowed in school.

He said a special clinic has been set up by the department of Public Health for Feb. 1 and 2, and parents will be notified by letters in advance.

Budget Policy Statement Due Monday

Selectmen, at their regular meeting Monday night in Memorial Hall library at 7:30 p.m., are expected to formalize a policy statement with regard to the budget for the coming year.

Three drafts of a statement were reviewed by the board this past week during a conference session. The essential points in all three statements suggested by

Selectmen Albert Cole, Edward M. Harris and James Abramson will be condensed into a single commentary for review by the entire board and possible adoption Monday night.

It will be forwarded to the Finance Committee which is also working on a policy statement with regard to the 1979-80 fiscal year budget.

Trust Fund Advisory Board Is Created

An advisory board to oversee trust funds held by the town has been created following the suggestion of such an agency by Assistant Town Manager Sheldon S. Cohen.

A committee was named by Cohen when he was serving as acting town manager to review the various trust funds conveyed to the town from time to time. It was

suggested that an advisory committee be named to annually review the various accounts.

Town Manager Jared S.A. Clark has named the members of the study committee to the advisory board with Robert Foster serving a one-year term, Atty. Andrew Shea, two years and Collector-Treasurer Myron H. Muise, three years.

Appointments Confirmed

Recent appointments made by Town Manager Jared S.A. Clark were confirmed by selectmen at their meeting Monday night.

Appointments included James F. Johnson, administrative assistant to the police chief, \$26,000 annually; John W. Aulson, purchasing

agent, \$17,364; Ruth Hooten, head library circulation department, \$15,006; Margaret Dempsey, library assistant, \$8,596; Barbara Botsch, computer operator, \$12,217; Jessica Messersmith, part time data processing clerk, \$4.55 per hour.

Annual Winter Luncheon

The annual Winter Luncheon will be held by the League of Women Voters at the Andover Inn on Tuesday, Jan. 23. Jeff Morales, Community Organizer for the City of Lawrence and a dynamic speaker, will discuss "Revitalization and the Spanish Community." The featured entre for the complete luncheon will be a

boneless breast of chicken.

Advance reservations are required. Checks payable to Andover League of Women Voters, should be given to Sue Redgate of 10 Rose Glen Drive by Saturday, Jan. 13. She should also be notified if you wish to use the babysitting which will be available.

In Boston

Coast Guard Seaman James E. Tamagnine Jr., son of James E. and Marie J. Tamagnine of 42 Bay State Road, North Andover, has reported for duty at the office of the 1st Coast Guard District, Boston. A 1975 graduate of North Andover High School, he joined the Coast Guard in October, 1975.

Andover Elementary School Happenings

Talented Program

In the Andover Elementary Schools there is a new program called the Talented Program (APT). A group of children from Sanborn, Shawsheen, and West Elementary were chosen to learn about news writing.

On Jan. 3, the "newswriters" went on a tour of the Lawrence Eagle Tribune building with Miss Diane Helfrich, their coordinator. The tour was very interesting and exciting. We saw the printing room, the composing room, and the editing room.

The people that work at the Lawrence Eagle Tribune showed us some machines and how they work. They also showed us how they put together a newspaper.

By Robert Mattedi
Grade 5, Sanborn

Math League

The Sanborn School Math League is a competitive group made up of fourth, fifth, and sixth grade students. They compete against all of the elementary schools in Andover. Throughout the school year they will participate in nine meets. Each meet they will be answering different types of problems.

The Math League has taken part in two meets. One meet was on the subject of fractions and the other one dealt with word problems. They have received first and second places in the two meets. Mrs. Powers, a sixth grade teacher at Sanborn, has been working with them all this year. Jan. 11 will be the next competition at Doherty School.

By Ann Plamondon
Grade 6, Sanborn

Camp Fire Play

Sanborn School's Camp Fire Group, Otagata, which is Indian for friendship, service, and love, is busy working on a skit called "The Bat, the Birds, and the Beasts." The playlet is based on a fable by Aesop.

These 12 fourth grade girls will perform at the Andover Camp Fire Girl's annual Mother and Daughter Banquet, to be held this year at East Junior High School, Feb. 13.

By Thea Potvin
Grade 4, Sanborn

Marine Study

Mrs. Rogers fifth grade homeroom class is working on a report on things that per-

tain to the ocean. Each pupil will have a chance to choose his subject. Not only will they be studying marine life, but they will also study water communities. Many of the students have shown interest in this report.

Chorus Tour

The Sanborn School fifth and sixth grade chorus may be able to take a concert tour

of the five elementary schools in Andover. Ms. Belfer, our music teacher, also hopes that the chorus may be able to sing for the people in Andover nursing homes.

Friday Activities

At Shawsheen School they are having Friday afternoon activities for first through sixth grades. Everyone gets a paper that has choices on it. You mark off three choices, then turn the paper into the teacher. The teachers give you one of your three choices.

Every Friday from 12:15 to 1:15 the fourth, fifth, and sixth grades go to their group. From 1-2 the first, second, and third grades go to their groups.

Friday afternoon activities are fun, but they are mostly to develop our skills in a particular area.

A Robbery

There have been some bank robberies in

the area recently. The next one though, is going to be quite different. It is going to be done by a group of boys and girls. These are not juvenile delinquents, but law-abiding scouts of Boy Scout Troop 77 and Girl Scout Troop 31. The "Robbery" will be part of the troops' study of local justice. The perpetrators will be caught by the Andover police and booked. Later there will be a full scale trial at the District Court. All the roles of the trial will be played by the scouts.

When the court comes to an end, there

will be booklets and photographs about the event for sale. All of this is scheduled to start the third week of January.

By Peter Larson
Grade 6, West Elementary

Our President's Flag, with the President's Seal in bronze upon a blue background and a large white store in each corner, was adopted May 29, 1916 by President Woodrow Wilson.

Keeping the Holiday Spirit alive...

It was a great Christmas, a super New Year and in general, a very enjoyable Holiday Season. But, you may have spent just a bit more than you should have. To spread the Holiday Spirit, you just might have spread yourself a bit too thin. Well, at Andover Savings Bank, we think we can help you budget those post Holiday bills with a Debt Consolidation Loan. Why not give us a call or visit one of our conveniently located offices and find out how we keep the Holiday Spirit alive.

East Junior High Notebook

By Jennie Caffrey

East Junior High School art students' work has been submitted to the annual Scholastic magazine art awards competition sponsored by the 'Boston Globe.'

Tempera paintings entered are by Cynthia Surret, Howard Miller, Kate Seeley, Jacqueline Ward, Jim King and Donna D'Amelio; graphic design by Susan Poor; photographs by Joanne Fossella and Corrine Van den Broecke; drawing by Amy Higgins, Pauline Georgoudis, Carol Robb, Paula Eldred and Augusta Dadiago and Kate Seeley.

East Junior High art teachers responsi-

ble for submitted entries are Mrs. Frances McCormick, Ms. Susan Ooyevaar and Mrs. Patricia Pope.

Last Friday East's 9th grade boys' basketball team defeated Billerica, 68-19. High scorers were Brien Moriarty with 13 points, Mike White with 11 and Carmen Scarpa who had eight with eight asists.

Also last Friday the girls' basketball team extended their record to 2-0 by defeating Chelmsford McCarthy. After capturing the lead in the third quarter, the girls fought back a fourth quarter rally to win 22-21. Monica McKinley led all scorers with nine points and also contributed with an excellent rebounding performance.

Chamber Concert At Academy

On Sunday, Jan. 14 at 4 p.m., in Kemper Auditorium, the Music Department of Phillips Academy will present its fourth annual Chamber Music Weekend Concert.

This concert is the culmination of a weekend of intensive musical study by students from the New England area, at Phillips Academy. The students participating are from private and public schools in the immediate area as well as throughout Massachusetts, New Hampshire, New Jersey and Rhode Island.

One of the outstanding features of this weekend is the very small student-teacher ratio — 2:1. This ratio, combined with the fact that students send their music in advance so that they may prepare before arriving here, helps to make a very satisfying experience for them.

The concert will include works of Franz Schubert, featuring his Sixth Symphony in C Major for chamber orchestra.

Admission is free and the public is invited to attend.

Students In Visit To Austin Prep

Twenty-five boys from the two eighth grade classes of St. Augustine's School Andover recently spent a day visiting Austin Preparatory School in Reading. The boys were accompanied by their teacher, Thomas Wilson, who graduated from Austin Prep in 1968.

The eighth graders were met at the prep school by Andover residents who are currently studying there. Stephen Green, Scott Hezeltime, Brent Ballard, and James Connolly served as guides during the visit. They showed their guests Austin's library, chapel, language laboratory, science laboratories, computer room, and athletic facilities, as well as regular classrooms. The visitors were able to sit in on typical classes to see what high school life is like. They also had lunch at the school before returning to Andover.

Austin Prep is a college preparatory school for boys conducted by the Augustinian Fathers and a lay faculty. This order has been familiar to Andover residents for many years. The Order of St. Augustine has staffed the town's Catholic parish for over a century.

Father Joseph Keffer, O.S.A. is currently the acting pastor. In 1947, at the request of Archbishop Cushing, the order founded Merrimack College, which it still staffs. In 1961 the archbishop, by then a cardinal, invited the order to establish a secondary school to provide high quality Catholic education for the North Shore area. The school accepts students of all faiths. Among the members of the original corporation was Rev. Vincent J. McQuade, O.S.A., who is remembered by many local residents as the president of Merrimack College.

Because of the large number of recent inquiries, Austin Prep will hold a second entrance examination on Saturday, March 17. Call the school for further information.

Win Prizes

Prize winners in the holiday raffle conducted last month by the Andover School of Montessori have been announced. Evelyn H. Alberts of Lawrence won first prize, \$50 worth of groceries from Barcelos Brothers. Second prize, 50 gallons of gasoline, compliments of Den-Rock Mobil station in North Andover,

Million Dollar Seller

Carole Ruben

Luby Real Estate announced that Carole Ruben has listed and sold over a million dollars worth of property in the Greater Lawrence area, during her first year with the company.

Carole has a degree in Elementary Education, and has been a substitute teacher in Andover for several years. She is a member of the Andona Society, and for the last five years has been very active in fund raising events with the group.

Carole resides at 6 Bateson Drive, Andover, with her husband Robert, who is employed at the Raytheon Company, and her children, Jessica and Jon.

TOWNE DELI Always A Winner!

Winning combinations are traditional American favorites. We have one at Towne Deli and you owe it to yourself to partake of it.

Testimony that it is a winning combination are the repeaters who have found us and keep coming back . . . and back . . . and back because they like superior food at reasonable prices.

Our winner is no great secret but it is not generally practiced. It is simply fresh, *home made* food products served in a clean, comfortable and *friendly* environment at *value-for-your-money* prices.

If you haven't done it already, come in and sample our *fresh* soups, chowders, pies and meats — for just a lunch or an entire meal. You'll find our portions generous. The taste, lip-smacking goodness.

Get in on this Towne Deli winning combination . . . bring a friend and then you can multiply the enjoyment by two!

To Train Volunteers

The Speech and Language Staff of the Andover Public Schools will be conducting a program to train volunteers to work with

Pre-School To Open Afternoons

The Century Pre-School, sponsored by Trinitation Congregational Church, announces the opening of an afternoon session for three, four and five-year-olds. Classes will begin on Jan. 16, Tuesday, Wednesday and Thursday afternoons from 12:30-3 p.m.

There will be an open house held on Tuesday, Jan. 9 at 1:30 for parents and children already registered. Anyone interested in looking over the school is welcome also.

For a brochure and additional information you may call the registration chairman, Mrs. Raymond Donadt or the church office.

children on language development activities. These activities may take place within the regular class or in individual sessions with a specific child.

The training sessions will provide instruction in administering certain screening tests and certain beneficial activities with children with communication problems.

The instructional training sessions will be held at Jackson School, 36 Bartlett St., Andover, on Tuesday, Jan. 16, from 9 a.m. to 12 noon, and Monday, Jan. 22, from 9 a.m. to 12 noon. Additional practicum

time during those weeks will be arranged individually by the volunteer and the Speech Pathologist to whom the volunteer is assigned.

Contact the Pupil Personnel Office, Andover Public Schools, or Bob Sharp, Speech-Language Pathologist, evenings.

Your Hair Today

by Lou Durazzano

Jan Vermeer, the great 17th Century Dutch painter, had a remarkable talent for rendering plain women beautiful. Vermeer's women conform not to the glittery, unpredictable fashions of today, but to a quiet world. Modestly dressed, blonde hair often concealed beneath white, nun-like caps, his subjects are characteristically fair, with pale eyebrows and lashes and large round eyes.

Though women of the 17th century were without the freedom of today, they were also, in the eyes of this great artist, beautiful without the protection of make-up or strobe lights in the honest light of day.

Let our professional operators at SUPER CUT HAIR SALON, 93 Main St., 475-3711 create a hairdo for you to take you through your busy days. Here you'll find hairstyling with imagination... hair cutting that's "shear artistry" and you'll just love our bright cheerful atmosphere. Of course our prices are very competitive. We operate an unisex salon where men, women and children are all treated royally. Open: Mon.-Sat. 9-5, Thurs. and Fri. til 7.

HELPFUL HINT:

Girls should avoid using greasy cosmetics and excessive amounts of cold cream.

Hospitals Lab Accredited

The Boston Hospital Laboratory has been continuously accredited by the College of American Pathologists through Oct.

Dr. Robert Blumberg, laboratory director, received the highest commendation for the excellence of the laboratory. Dr. Blumberg is providing a service to the community from Dr. Blumberg, Commission on Accreditation and Accredited

To assure creditation, must participate in the Comprehensive Quality Control Program. Cross explanation of the program — so quickly in the field. You must review the program.

Volunteers Needed At Museum

Interviews for volunteer assignments at Boston's Museum of Science are now underway.

Both men and women are needed for a variety of assignments, ranging from the annual Giant Garage Sale to Visitor Guides who represent the Museum in contact with visitors of all ages.

Those whose only opportunity for volunteering is weekends are urged to become Gift Shop assistants. The Shop welcomes people who work quickly and enjoy a busy pace. It stocks jewelry, hobby materials, books, and other science-related items.

Many different talents are used in preparing for the Garage Sale in May. Collecting, sorting, pricing, and publicizing are among the tasks required for the sale, a major benefit for the Museum.

Visitor Guides talk informally to

Museum visitors to help them understand exhibits; they do not conduct tours. A science background is desirable.

Volunteers are also needed for Project Eye-Opener, which introduces seven-year-old, inner-city youngsters to exhibits and live animals. Each volunteer conducts three or four children around the Museum every Monday morning. Volunteers take turns maintaining a baby-sitting service so that young mothers may participate as guides.

Training classes beginning at the end of this month are offered for all volunteers.

Training is continued at regular intervals for Visitor Guides and Project Eye-Opener guides.

To arrange for an interview, prospective volunteers should call the Volunteer Office at the Museum.

Hospital Lab Is Accredited

The Bon Secours Hospital laboratory has been continued accreditation by the Commission on Inspection and Accreditation of the College of American Pathologists through Oct. 11, 1980.

Dr. Robert J. Cross, laboratory director, received the commission's congratulations, "on excellence of the services you are providing patients and clinicians," in a letter from Dr. Joseph M. Blumberg, Chairman, Commission on Inspection and Accreditation.

To assure continuous accreditation, the Hospital must participate annually in the College's Comprehensive Quality Evaluation Program. As Dr. Cross explains, "It is an extensive self-evaluation program — Things change so quickly in the laboratory field. You must be constantly reviewing."

Accreditation by the College of American Pathologists satisfies Medicare and Joint Commission on Accreditation of Hospitals requirements for laboratory proficiency.

John E. Gaunt

Elected Assistant Treasurer

John E. Gaunt was elected assistant treasurer of Suffolk Franklin Savings Bank at its recent annual meeting. Gaunt is Branch Manager of Suffolk Franklin's Copley Square office. He attended Northeastern University, the Savings Bank School for Supervisory Personnel and is currently enrolled in the Graduate School of Savings Banking at Brown University. A member of the Dorchester Kiwanis and Board of Trade, Gaunt is also Treasurer of the Fields Corner Merchants Association.

Suffolk Franklin Savings Bank is the fourth largest savings bank in Massachusetts with assets of more than \$642 million. A Mutual Savings Bank and member FDIC/DIFM, Suffolk Franklin has 14 offices in the metropolitan Boston area.

Gaunt and his family reside in Andover.

Small Cars

The U.S. Government (66 departments reporting) saves energy by using small cars, Massachusetts Audubon reports. Between 1975 and 1977, the number of standard-sized cars was reduced by one-half; the number of small cars tripled.

Contrary to popular belief, under-inflated tires do not provide better traction in snow. Triple-A says under-inflation

U.F. Drive Increases Noted

The Merrimack Valley United Fund Campaign total has reached \$2,552,139. This marks an increase over last year's results at the third quarter mark of \$174,000. Larry L. Larsen, Ph.D., Merrimack Valley Campaign Chairman made the third quarter's results public this week, noting the great progress that has been made towards the achievement of \$3 million. With the campaign three-quarters finished, the goal mark of \$3 million seems attainable.

The 1978-1979 Campaign has a Fair

Share Goal. It is hoped that all working people will support this annual campaign based on the Fair Share formula. This works out to the equivalent of one hour's pay per month. Fair Share formulas have been calculated for corporations of all sizes and types enabling all Merrimack Valley businesses to express their interest in providing necessary human services to all Valley residents.

All groups within the campaign have made significant gains over last year's record breaking third quarter reports with notable increases in employee giving at the Honeywell and Digital plants of 17,000 and 18,000 dollars each.

Local Chairmen George H. Bixby III — Haverhill/Newburyport, Robert L. Clark — Lawrence, and Nancy Donahue — Lowell, have urged all their campaign volunteers to bring their results in and

wind up the 1978-1979 campaign as soon as possible.

Exposition

Ready for its third successful year and bigger than ever, the Third Annual Eastern Fishing & Outdoor Exposition scheduled at the Sheraton Exhibit Center in Boxborough, March 14-18, is still one of a kind. Two years ago this show started a revolution in the kinds of exhibits and program offered area sportsmen by deliberately setting out to produce something different; a totally pure show

— all fishing and hunting exhibits — no hoopla, no carnivals, no hardsell peddlers or kitchen gadgetry, no circus acts.

Named Headmaster In Baltimore, Md.

The board of trustees of The Boys' Latin School of Maryland in Baltimore has announced the appointment of E. Standish Bradford, Jr. as headmaster.

Bradford, who will assume his duties as headmaster in July, 1979, replaces Jack Williams, headmaster of Boys' Latin for 16 years, who died last February.

Bradford comes to The Boys' Latin School from The Pike School in Andover, where he served a year as interim headmaster. Prior to that he was headmaster of Newark Academy in Livingston, New Jersey from 1967 to 1977. During his ten years at Newark Academy, Bradford directed the development of an individualized learning program and major curriculum changes. He guided the school through the process of becoming coeducational, increased the quality and quantity of student applicants, and expanded and improved college placement procedures. Bradford was also instrumental in significantly improving the school's finances.

Bradford also served as Acting Headmaster of Shady Side Academy in Pittsburgh, Pa. from 1965 to 1967. He taught ancient history, English history and geography at Williston Academy, Easthampton from 1956 to 1964 where he also coached the academy baseball, basketball, soccer and lacrosse teams.

He holds a Bachelor of Arts degree from the University of Connecticut and a Master of Arts Liberal Studies from Wesleyan University. He is presently a candidate for a Certificate of Advanced Study in Administration, Planning and Social Policy at the Harvard University Graduate School of Education.

Bradford has served as director of the Y.M.C.A. in Summit, N.J., treasurer of the School Consortium of New Jersey, Inc; director of the New Jersey Association of Independent Schools, and director of the Orton Society of Northern New Jersey. He is a member of the Headmasters Association.

Charles C. Stieff, II, president of the board of trustees of Boys' Latin, said of Bradford's appointment: "Boys' Latin is extremely lucky to have a man of Mr. Bradford's qualifications and experience as its new headmaster. We are certain that he will provide us with the leadership that we will need to meet the challenges that are ahead for all independent schools in the future."

E. Standish Bradford

Bradford and his wife, Nancy have five children and presently live in Andover. They will move to Baltimore upon the assumption of his duties as Headmaster of Boys' Latin.

House Plants

House plants do not use more oxygen at night than during the day. The leaf pores are closed at night, and gas exchange is reduced, Massachusetts Audubon says. Humidity may increase at night which triggers some plants to release fragrant oils.

St. Robert's School Observes Birthday

13

THE TOWNSMAN, JANUARY 11, 1979

Pupils at St. Robert's Country Day School, Haggets Pond Road, West Andover, recently celebrated a very special birthday. Their school was nine years old.

The birthday theme this year was based on the story "Little Drummer Boy," but Fr. Jon Martin, assistant pastor at St. Robert's who was the birthday party speaker, enlarged upon the theme to include the "Drummer girls," too.

Each pupil had made a birthday party had with nine candles on it during the week preceding the party. They also made "drums" which they played to accompany the "Drummer Boy" song.

Guests and parents participated in the program by reading the prayers for the anniversary of a Nursery School written by Rev. John Mulloy, former assistant at St. Robert's.

The huge birthday cake made by the culinary arts department of the Greater Lawrence Regional Vocational and Technical High School had nine tapers which were lit during the ceremony by Teachers Gail Dispensa, Pat Anderson, Diane McSweeney, Sally Fiore, Olivia Sintros, and assistant teacher Marian Bachinsky.

Bill Walsh, honorary "Grandfather of the school" also lit a taper, as did Anne Sullivan, co-chairman of this year's Parents' Board. The ninth taper was lit by Rev. Frederick Collins, Executive Director of the school, and pastor of St. Robert's.

School Director Helen Keegan announced the date for registration for next September's classes will be Wednesday, Jan. 24 from 9-11 a.m. At this time, all parents interested in 1979-80 classes are invited to visit the school with their child to meet the teachers and members of the parents board who will be there to discuss the program and answer questions.

The school will again have the following three levels of instruction: Mini-Nursery for children who will be three years, 5 months by next Dec. 31. (This is a two day a week program held on Tuesdays and Thursdays.) Regular Nursery for children who will be four by Dec. 31 (This is a three day a week program, meeting on Tuesdays, Wednesdays and Thursdays.) Maxi-Nursery for children who will be five by Dec. 31. (This is also a three day a week program designed for children not quite ready for Kindergarten.)

For further information contact the registrar, Barbara Hallice, 104 Cross St., Andover, or plan to attend the Registra-

tion Day Open House Jan. 24 at 9 a.m.

Mr. and Mrs. Arthur A. Hughes

Halberstadt - Hughes

Caren Lee Halberstadt, daughter of Mr. and Mrs. Louis Halberstadt of 29 Karlton Circle, Andover, became the bride recently of Arthur Austin Hughes, Jr., son of Mr. and Mrs. Arthur Austin Hughes Sr. of Louisville, Kentucky.

Rabbi H. Waller officiated at the 6:30 p.m. Candlelight Ceremony at Temple Adathe Israel-Brith Shalom in Louisville,

Kentucky.

Given in marriage by her father, the bride was attended by Rendi Lynn Halberstadt as maid of honor. Bridesmaids included Minda Gene Halberstadt and Georgia Holthausen.

Steven Huges served as the groom's best man, and ushers were Johnney Hughes, Gerry Sullivan and Steven Duncan.

The new Mrs. Hughes received her B.S. degree in Biology and M.S. degree in Civil Engineering from Tufts University in Medford. She is doing graduate work in Business Management at the University of Louisville. Her Husband received his B.S. degree in Industrial Electronics from Eastern Kentucky University. They are both employed as Engineers with I.C.I. Americas, Charleston, Indiana.

Following a reception at the Temple, the couple left on a wedding trip for St. Thomas. They are residing in Louisville, Kentucky.

And Now, Her Own Museum

Director Marsha Rooney

By Tim Greene

Amos Blanchard was a farmer, a teacher at Phillips Academy, and a Deacon at South Church. In 1819 he built a house on Main Street in Andover.

Now that house is the home of the Andover Historical Society, and its director-curator as of August 1978, is Marsha Rooney.

She was born in Middlebury, Vt., and went to school at Albion College in Michigan, where she graduated with an undergraduate degree in history and French.

After she graduated, she joined the Plymouth Plantation as a Pilgrim. She stayed there for a year.

When she left, she went to Cooperstown, N.Y., where she enrolled in a masters program in history-museum studies, which was coordinated by the State University of New York at Onitota.

Then she was an intern at the Museum at Stonybrook, N.Y., and then an assistant at the Sheldon Museum in Middlebury.

Now that she is at the Blanchard House, she has her own museum with a brand new addition. That addition, called the Susan Smith Purdon wing, houses the society's library where people can look for their roots, a work area for conserving pieces

from the museum collection and a storage room.

She can tour the house without looking at the identification tags on exhibits and give their history, like the musket used at Bunker Hill, fitted with the bayonet which was not.

She can pace a line in the dining room where the outside wall used to be, and describe how the veranda was enclosed in 1964.

Under her direction, the study in the front of the house has recently been redecorated as it might have been in the 1820's, with wallpaper having a bold border pattern.

In the formal parlor, paintings have been carefully restored by gluing flaking chips of paint back in place. And much of the furniture has been refinished.

Miss Rooney has plans for the Cheever Room which was built over the veranda. There she wants to display temporary exhibits from the museum's collections now in store rooms.

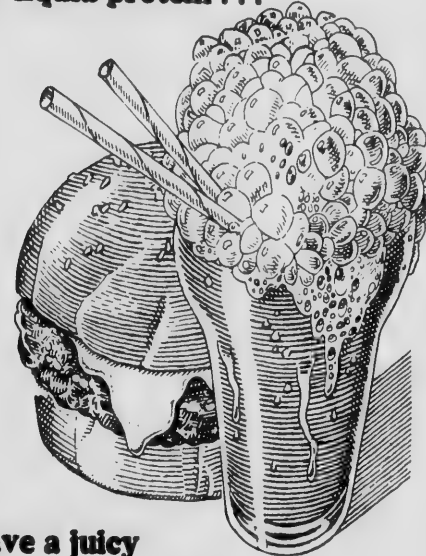

The museum has a large selection of clothing from the 1800's which includes quilted bonnets for women and dresses for young boys. When she has fitted them properly on forms, she plans to exhibit them.

The barn and the shed which connects it

to the house are filled with old tools, from broad axes to hater's irons, and vehicles from a goat cart for children to an early "bonecrusher" bicycle.

Her plans for the house include restoring articles now being stored and planning exhibits and lectures for the house which will fill in on the history of Andover beyond 1850 and on into the 20th century.

OBITUARIES

ELIZA EMSLIE

Eliza (Carcary) Emslie, 92, a long time Andover resident, died Tuesday at the Green Grove Convalescent Home, North Reading, following a long illness.

Born in Brechin, Scotland, July 27, 1886, she was a member of the South Church, a member of Clan Johnston Auxiliary, and a member of the former Indian Ridge Lodge of Rebekahs of Andover.

The widow of Edward C. Emslie, she is survived by two granddaughters, Sudan, wife of William E. Walsh of Andover, and Judith, wife of Edward Derry of Middleport, N.Y., and two great-grandchildren.

Services are Thursday at 11 a.m. at the Lundgren Funeral Home, 18 Elm St. Burial will be in Spring Grove Cemetery.

DRUCILLA PAINE

Drucilla (Tiner) Paine, 82, 24 Enmore St., a former long-time resident of

New Year's Baby From Andover

Jason Patrick Knowlton was the first baby of the new year at Winchester hospital.

The first child of John R. and Robin (Patterson) Knowlton, of A3 Colonial Drive, Andover, checked in bright and early New Year's morning.

The grandparents are John Patterson of Dorchester and Mrs. Janice Patterson of Woburn and Mr. and Mrs. Neil Knowlton of Wilmington.

Births...

SWIFT — A daughter, Stacy Ann, Jan. 7, at Lawrence General hospital, to Mr. and Mrs. John Swift, 24 York St., Andover. The mother was Nancy Norton.

ROEGER — A son, Steven Christopher, Jan. 2, at Lawrence General hospital to Mr. and Mrs. Raymond Roeger, 18 Memorial Circle, Andover. The mother was Kathleen Boner.

TOBER — A son, Adam Jonathan, Dec. 27, at Boston Lying-In hospital, to Dr. and Mrs. Robert L. Tober, 219 Holt Road, Andover.

STEINERT — A son, Adam Roger, Jan. 3, at Newton-Wellesley hospital, to Drs. Roger and Marilyn Steinert, 290 Lexington St., Watertown. Grandparents are Dr. and Mrs. Anthony Vanaria of Waltham and Mrs. Francis E. Steinert of Andover.

BAKULSKI — A daughter, Catherine Laura, Dec. 6, at Lawrence General hospital to Dr. and Mrs. Richard S. Bakulski, 29 Kathleen Drive, Andover. The mother was Dorothea Collins.

LYNCH — A daughter, Jeannette Rae, Dec. 6, at Melrose-Wakefield hospital to Mr. and Mrs. John J. Lynch, 11 Sussex Court, Bradford. The mother was Rae M. Jandel. Grandparents are Mr. and Mrs. Richard L. Jandel of Lynnfield and Mrs. John M. Lynch and the late John M. Lynch of Andover.

Salisbury, died Sunday at Lawrence General Hospital after a long illness.

Born in Chance Harbor, Canada, Jan. 1, 1897, Mrs. Paine attended Andover Baptist Church.

The widow of William Paine, she is survived by a son William Paine of Seabrook, N.H.; three daughters, Mrs. Wilamena Courtney of Plymouth, Phyllis, wife of Chester Wigen of Amesbury and Barbara, wife of Norman Bourgo of Andover; two brothers, Alex Tiner and Jesse Tiner, both of Chance Harbor; a sister, Mrs. Elizabeth Crawford of Chance Harbor, 11 grandchildren and seven great-grandchildren.

Services were held Wednesday at 1 p.m. at the E.V. Jutras and Son Funeral Home, 118 Friend St., Amesbury. Burial was in Longhill Cemetery, Salisbury.

CLINTON D. SHAW

Clinton D. Shaw, 76, 40 Wildwood Road, Andover, a retired sales manager, died suddenly at his home Friday.

Born in Chichester, N.H., on March 1, 1902, he retired in 1954 as sales manager and manager of the Veneer Division of Palmer and Parker Company, a Boston wholesale lumber firm.

Mr. Shaw attended South Church in Andover. He was a member of St. Matthews Lodge, A.F. & A.M., of Andover, and as a 32nd degree Mason he was a member of the Scottish Rite Bodies of Lawrence and Lowell. He was also a member of the Massachusetts Consistory and Aleppo Temple of the Shrine and a past president of the former Andover Service Club.

Survivors include his wife, Anne (Spaulding) Shaw; two sons, Clinton S. and John T. of Andover; three daughters, Marguerite S., wife of Paul A. Hood of Andover, Mrs. Catharyn Treska of Andover; Arianna, wife of Aubrey Hampton Jr., of Dumont, N.J.; a brother, Clarence of Chichester, N.H.; two sisters, Mrs. Marion Rand of Rye, N.H., and Mrs. Annie Davis of Exeter, N.H.; and thirteen grandchildren.

A memorial service was held Monday at 1:30 p.m. at South Church in Andover.

Cremation was at Harmony Grove Cemetery, Salem.

Contributions may be made to the Shriners Hospital for Crippled Children, 41 Blossom St., Boston.

ANNIE GREENHOW

Mrs. Annie (Paton) Greenhow, 85, 124 Main St., Andover, died suddenly at her home Friday.

She was born in Arboath, Scotland, May 27, 1893, and was the widow of the late John M. Greenhow.

Mrs. Greenhow attended Christ Episcopal Church in Andover.

Survivors include two daughters, Isabella of Andover and Gladys, wife of

Sidney E. Lamb of Andover; a son, John M. of Andover; two brothers, Harry Paton of Arboath, Scotland, and David Paton of Quincy; two sisters, Georgiana, wife of Theodore McRae of Worcester, and Mrs. Agnes Twedie of Gourrock, Scotland; nine grandchildren and nine great-grandchildren.

Burial was in Spring Grove Cemetery in Andover.

Memorial contributions may be made to a charity of one's choice.

Funeral arrangements were under the direction of Frederick E. Allen and Son Funeral Home Inc., 68 Park St.

GASPAR JAKO

Gaspar Jako, who played a major role to resettle Hungarian and Cuban refugees in the Greater Lawrence area during the late 50s and early 60s, died Jan. 4 at New England Memorial Hospital in Stoneham.

The 59-year-old former executive director of the Lawrence International Institute was taken ill Tuesday while driving from his home at 2 Chickering Circle to the Boston International Institute where he had been director since September 1963. Jako's background was international.

When he was five years old his family moved from his native Budapest to Estonia, where his father accepted a position at the Estonian State School of Arts. He attended Estonian and German schools until 1934 when his family returned to Hungary where he received his high school education in Budapest.

He served in the Hungarian army for two years and later attended college. For a time, he worked as physical director at the Hungarian Athletic Club and was director of rehabilitation at the Hungarian Royal Orthopedic Hospital in Budapest which was evacuated to Germany with the advance of the Russian army in the 40s. From 1946 until 1951, he worked as a field secretary for the World's Alliance of the Y.M.C.A. in the world service program associated with displaced persons and refugees.

Jako came to the United States from Budapest in April, 1951, sponsored by the McBurney Branch of the Y.M.C.A. in New York. He served as physical director of the New York City Y.M.C.A. for a short time and in the fall of that year, enrolled for graduate studies at Springfield College. He completed courses for his doctorate in physical education with

Speed Record

A speed record for an Atlantic crossing was established by the liner "United States" in 1952, when it made the crossing in three days, 10 hours and 40 minutes.

Lundgren Funeral Home Inc. Est. 1840

DONALD E. LUNDGREN
18 ELM STREET, ANDOVER

emphasis on research and special work in the field of rehabilitation for the physically and mentally handicapped.

Three years later, he came to Lawrence as executive director of the International Institute, setting his sights on two main objectives — integration of the foreign born with special attention to aliens in Lawrence, and exploration of community needs not met by other agencies under the scope of their programs.

He was active in the coordination of refugee activities, mainly the Hungarians in 1959 and Cuban refugees during the early 1960's. He was prominent in programs designed to help them settle in this area and to make a new way of life for themselves.

He was described as a "kind, generous person who never thought about himself...who never looked out for himself...who always was doing something for others."

During his stay in Lawrence, he served on the board of the Greater Lawrence Guidance Center, the Greater Lawrence Association for Retarded Children, and Council of Social Agencies, the Lawrence Turn Verein and the Andover Recreation Council.

He also served as a member of the Citizens Council for the Harvard Study of the Lawrence school system, was prominently identified with the Chamber of Commerce seminar on urban renewal, participated in the study of the aging in Greater Lawrence, was a member of the committee on discrimination and joined in the study of camping needs in Greater Lawrence.

Married to the former Edith Murahidy, the couple has two sons, Peter of Lawrence and Miklos of Andover, and one daughter, Esther A. of Andover.

Funeral services were private.

Reunion

More than seventy-five campers from last summer's season at Camp Runels, gathered at the Lawrence Y.W.C.A. on Dec. 28. The girls and their counselors from the Merrimack River Girls Scout Council's camp in Pelham, N.H., enjoyed swimming, action games in the gym, movies, lunch, and renewing old friendships. Many plans were made for next summer at Runels. Donna Nye, Camping Services Director, led the group.

Auxiliary Planning Silver Tea

A Silver Tea sponsored by the Bon Secours Hospital Auxiliary will be held from 2 to 4:00 o'clock in the afternoon on Sunday, Jan. 14 in the Hospital Auditorium. This annual get-together offers all members an opportunity to meet and rejoice in the success of their many events held during the past year.

Special tribute will be paid to former Presidents of the Auxiliary: Mrs. Arthur O. Duhamel, Mrs. John A. Reardon, Mrs. Anthony J. Ippolito, Mrs. Arthur H. Reilly, Mrs. John C. Bush, Miss Evelyn E. Rancourt.

A musical program will follow to complete the afternoon's festivities. All new and former Auxiliary members are invited to join in this "New Year" celebration.

Mrs. James A. Murphy, president, is being assisted by the following committee: Mrs. George A. Lisauskas, Chairperson; Mrs. S. Arthur McGovern, Mrs. James Landers, Mrs. Paul Courtmanche, Miss Kathryn Espinola.

Square Dance Scheduled Saturday

Saturday evening, Jan. 20 at 7:30 p.m. a traditional square dance will be held at Christ Church in the Parish Hall and the public is invited. Junior high and high school students are welcome.

Les Bartow will give instructions and

Ducks

The duck's name comes from the Middle English word, duke, meaning a diving bird. Goose derives from the Old English word, gos, and swan probably comes from the Latin, sonus, meaning sound, referring to the tumultuous call of some swans, Massachusetts Audubon tells us.

Heifer Project Presentation

A special presentation about Heifer Project International will be made at the Ballard Vale United Church this Sunday, Jan. 14. Five members of the West Parish Church recently returned from a Study Tour to Central America and will be sharing their personal experiences and slides.

Martha Viehmann, Martha Easton, Martha Johnson, Joann Coombs, and Donald Nickerson will present their material to the Sunday School at 9:30 a.m. and be available for personal questions during the class time and during the 10:30 coffee hour. At 11 they will participate in the morning worship service.

Heifer Project International is a unique way for people to help people in that live animals are sent to people who in turn are asked to give away the first off-spring of that animal. The project puts much emphasis in educating people to raise their own food.

Snowflakes collect particles of pollution more efficiently than rain, according to the Massachusetts Audubon Society.

Will Social Security alone provide for your retirement?

Does money grow on trees?

Your chances of being supported by Social Security are about as good as your chances of growing money in your backyard.

But at Lawrence Savings Bank, you can realistically plan for your own retirement, and save money on income taxes, too.

With our Individual Retirement Account... the I.R.A.

Our IRA Plan pays you 8% tax-deferred interest on deposits up to \$1,500.

And depending on your situation, you can save substantially now on your Federal Income taxes.

For Example*:

If your total income is:	And your IRA deposit is:	Your taxable income is:	Your tax is:	And you save:
\$20,000	-0-	\$20,000	\$2,536	-0-
\$20,000	\$ 750.00	\$19,250	\$2,336	\$200.00
\$20,000	\$1,500.00	\$18,500	\$2,149	\$387.00

*4 exemptions, married, filing jointly, based on 1977 Tax Table B.

Look, you know as well as we do that money doesn't grow on trees. If you really want to see your retirement fund grow, stop by any Lawrence Savings Bank.

Find out about the IRA Plan for you.

*Minimum deposit of \$1,000 is required to receive 8% Annual Interest. See us for details.

Diabetes Program At Hospital

A free diabetes information program is being offered to the general public by Lawrence General Hospital's Department of Education. This program will be of particular interest to diabetics, his or her family, and friends.

The program is entitled, "Insulin — Actions and Reactions," and will be offered on Wednesday evening, Jan. 17, from 7-9 p.m. in Kurth Auditorium at the Hospital. The speaker will be Edith M. Longo, R.N., Instructor in the Hospital's Department of Education. She will illustrate her talk with a videotape entitled, "Diabetic Complications." At the conclusion of the program, there will be a question and answer period. For more information, call the Department of Education at Lawrence General Hospital.

This program is the third in a series of five dealing with diabetes and sponsored by the hospital.

Flower Arranging On Agenda

The regular monthly meeting of the Four Seasons Garden Club was held Jan. 11, at the residence of Mrs. Jean Prugh, 24 Woodhaven Drive, Andover.

After a mini-talk on air layering by the Horticulture Chairman Mrs. John Jennings, a workshop in Flower Arranging was conducted by Joyce Boyle.

Co-hostesses assisting as this meeting were Mrs. Joseph Sullivan and Mrs. Ronald Shwetz.

Open House

An open house program in the departments of allied Health, Practical Nursing and Cosmetology, will be held on Jan. 11 from 7 to 9 p.m. in Maude Hall at the Essex Agricultural and Technical

Institute in Danvers.

Discussion and information will include: course of study for medical assistants, operating room technicians, practical nursing, nursing assistant, home health aide

Moose come out of the woods to be milked in response to morning bugle at Kostroma, near Moscow, the Massachusetts Audubon Society says. Memorial Hall Library

Handwriting

Graphoanalyst Gerturde M. Carey of Lowell will present a program, "Your Handwriting Tells Tales on You" at Memorial Hall Library on Tuesday, Jan. 23 at 7:30 p.m. Open to the general public, the program will center around the handwritings of the audience and will enable participants to understand themselves and others better.

Ms. Carey, President of the Massachusetts Chapter of the International Graphoanalysis Society, is a document examiner for the Salem Superior Court and teaches handwriting analysis in the University of Lowell Community Service Program.

Andover Opera Club

The Opera Club will hold their regular meeting on Thursday, Jan. 18 in the Print Room of the Memorial Hall Library. "The

Magic Flute" by Mozart will be discussed and excerpts from the opera will be played. Everyone interested in opera is invited to join the group.

Speedreading

A speedreading course is scheduled to begin on Monday, Jan. 22 at 7 p.m. at the Library. The course will be taught by Victor Sanborn of Sanborn Associates. Open to adults, college and high school students, the course will meet for six consecutive Monday evenings and will cost \$50. Registration for the course is being taken at the Circulation Desk or by calling 475-6960.

Children's Room News By Bridget Bennett

Now that winter has settled upon us, it's a good time to be watching and caring for our backyard birds. The Children's Room has prepared a flier of ideas for homemade bird feeders with some easy recipes for mixtures that different species

will enjoy. Included are suggestions for things that children of all ages will be able to make. Our Christmas tree has now been redorated with some of our feeder and food ideas especially for the birds, though we feel sure that the squirrels will want their share. A collection of books has also been set aside which will help you identify your backyard visitors, their habits and behavior. Pick up one of our fliers and "Remember the Birds."

Memorial Hall Library will be closed all day Monday, Jan. 15 in observance of Martin Luther King day.

 WEDNESDAY — Chilled juice, fried pork chopette with brown sauce, whipped potatoes, sliced buttered carrots, white or whole wheat bread, chocolate brownie, choice of beverage.
 THURSDAY — Chilled fruit punch, turkey syrian sandwich with lettuce and tomato, french fries, catsup, pudding w/topping, choice of beverage.
 FRIDAY — Chilled juice, baked fish, mashed potatoes, broccoli spears, catsup, tartar sauce, rolls and butter, assorted desserts, choice of beverage.

For Those Of Us Who Are Older

By Janet D. Lake

The Haven will be closed Monday, Jan. 15, Martin Luther King Day. Registration Day for the Recreation Department courses at The Haven is Jan. 22 and registration may be made by phone or in person.

Winter is warmer when you're singing! Come join The Haven Singers every Wednesday afternoon at 2:30 for a happy musical afternoon. The group is under the expert direction of Helen Robinson.

Have any ideas for trips or vacations you'd like The Haven Travel Club to schedule? Come to their meeting Thursday, Jan. 18 at 1 p.m. with your suggestions. The group will be making plans for the 1979 travelling as well as putting finishing touches on the "Sugaring-off" trip to N. H. early this spring. If you can't make the meeting but have ideas to share, call Madeline Simeone at 475-1810. She's the group's chairman.

That grim time of year is here again. No

— not winter — TAX TIME! To help you with your income tax return, Thad Herrick will be at The Haven every Monday beginning Jan. 22. Sent by IRS and Elder Services, he will see people by appointment only. Call The Haven to make your appointment for this free service.

The Decoupage Class would like you to contribute your old Christmas or birthday cards as well as picture calendars, etc. for their use. Bring them to The Haven and they'll be most appreciated.

• Thursday, Feb. 8, New England Center at the University of New Hampshire, leaving The Haven at 11 a.m.

and taking advantage of the special senior citizen luncheon at the Center. Total cost \$8.50 (meal, transportation and tips).

• Ice Follies, Wednesday, Feb. 21, leaving The Haven at noon, cost to be announced.

• Loeb Theater Drama Series, Tuesday, Jan. 30, leaving The Haven at 6:15 p.m., returning 11 p.m., for the performance of "Miss Margarita's Way" starring Estelle Parsons. Total cost: \$9.

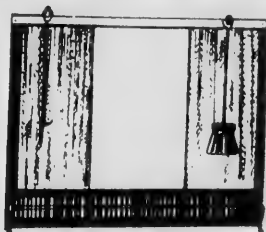

Northern Essex Community College is sponsoring a course for college credit entitled "American Civilization." It will be given every Wednesday beginning Jan. 31

for 15 weeks. It approaches American history through biographies with focus on significant individuals, major themes and concepts. Cost is \$11.50, with registration at The Haven.

Oysters Rockefeller

The famous dish baked with oysters, spinach and bacon, called Oysters Rockefeller, is said to have originated in 1899 at Antoine's, the famous New Orleans restaurant. Story has it that the dish got its name when a customer took a taste and exclaimed, "It's as rich as Rockefeller."

All Voting At High School

23

Single Polling Location Advocated For Elections

Andover voters may cast their ballots at a single polling place in the March 26 town election.

Selectmen Monday night heard a recommendation from Town Clerk Elden R. Salter that the high school gymnasium be used as the polling place for the town's eight precincts.

The board was amenable to the recommendation, but reserved a decision for a few weeks.

Salter explained that problems have arisen with at least two present polling locations, due to the need to remove architectural barriers for the handicapped, according to state and federal laws.

In order to continue to use St. Robert's church and Faith Lutheran church, polling places for precincts five and eight, ramps would have to be built. This would repre-

sent public expense on private property. Also Cardinal Cushing gymnasium, precinct four voting location, would probably also fall under the architectural barrier regulations promulgated by the state and federal governments.

Salter has been examining the possibility of a single voting location for some time, with the high school gym as the place. The high school is believed to be as close to the geographic center of town as possible for such an activity.

The town clerk explained that the single voting location would represent a savings of \$1,000 or more, with additional savings realized from not having to build ramps or otherwise remove the barriers to the handicapped.

Salter also explained that the redistricting accomplished in 1975 in which the

town went from six precincts to eight, allowed the town to meet state requirements for equal distribution of voters throughout the town.

But, in the process many voters were inconvenienced by having to move to other polling locations. In many cases voters have to pass by their former nearby voting place to cast their ballot at a more distant location.

The use of the high school gym by all voters would both eliminate any barriers to the handicapped, as well as having all residents concentrating on one polling place.

Traffic would be handled by the police department, with a regular one-way flow permitting easy access to the polling place. Salter said it was the belief of both he and the police department that adequate parking and traffic flow could be ac-

complished at the high school.

Also, the area would be more accessible for the elderly and transportation of senior citizens to the polls on election day.

Salter suggested that the time to initiate the move to the gymnasium would be with the town election in March. He felt that time is sufficient to notify all voters of the community of the change in polling locations, which is mandatory. Also, the new setup would be tested sufficiently to allow preparation for the Presidential election year of 1980 when the department will be handling three national and state elections in addition to the town election.

Salter, when asked by Chairman Albert Cole of the selectmen if he was recommending the move to the single location replied, "I guess it's like putting your head in the lion's mouth, but I strongly recommend the move." Town Manager Jared S. A. Clark concurred.

In his written report to the selectmen supporting his recommendation Salter said:

"A bolder and more daring concept, it is one that could provide us a significant reduction in the cost of elections and at the same time be the ultimate means for administering elections."

Though it has not yet been tried, there are these facts that we already know: The gym meets all the criteria for an ideal voting place. It is large and spacious, well lit and is accessible to the handicapped. There are no stairs and its wide doors can accommodate wheel chairs. The location of the gym is central to the town and with proper supervision, the necessary parking can be provided. Economically, we can realize a saving of \$1000.00 per election. This can be accomplished by the elimination of voting place rental fees, the lowering of custodial services and transporting equipment costs, a reduction in election day personnel, etc. As for the administration of elections, the entire voting day could be carefully observed and supervised under one roof, allowing election officials the unique opportunity of rectifying a problem immediately. Additional supplies and equipment would be ever present so as to assure an even flow of voting with no delays.

"The success of an endeavor such as this would be contingent upon the complete cooperation of the School Department, the Police Department, the Fire Department, Local Government Officials and most emphatically the citizens of Andover. After having consulted personally with Dr. Seifert, superintendent of schools, Philip Wormwood, principal of Andover High School, Richard Swift, athletic director, Andover High School and Ralph Couture, head custodian, Andover High School, Chief David L. Nicoll and Chief William T. Downs, each is in agreement as to the feasibility of the concept and its contingencies; each has expressed willingness to cooperate fully so as to insure the success of the plan.

"Perhaps, the most vexing problem would be with traffic control. However, Chief Nicoll has assured me that if Voter Parking Only is allowed from the end of the high school parking lot to the far end of the tennis courts with traffic proceeding one way only from the Shawsheen Road entrance and then exiting either at Moraine Street or Shawsheen Road via West Junior High, with police directing traffic as cars enter and exit on Shawsheen Road, traffic can be reasonably controlled."

John W. Aulson of Topsfield has been named purchasing agent for the town and began his new duties on Monday. Aulson will be co-ordinating the purchasing of town and school departments.

Lighting Dimmed

Among the victims of tight budgeting for the coming fiscal year will be the street lighting program.

Town Manager Jared S. A. Clark told selectmen Monday night that the street lighting program will be cut back in the coming fiscal year.

Already the town is over its street lighting budget for the year. In the coming year, the town will be asked to appropriate funds to maintain the present program, pay off the debt incurred and maybe add a few where possible.

The commentary was in response to residents of the Lowell-Brown street area who had requested street lights in their area. Clark said there are already many on the waiting list for street lights, and there just is no money to provide for their installation.

Possible solution in the coming year, he said, would be to eliminate about ten per cent of the existing street lights in areas where crime and traffic problems are not a major factor.

The ANDOVER TOWNSMAN

The Second Front Page

JANUARY 11, 1979

Cohen Post Out In Reorganization

A further restructuring of town government, which would result in Assistant Town Manager Sheldon S. Cohen losing his present post, has been presented to selectmen for consideration by Town Manager Jared S. A. Clark.

Cohen, who has been assisting manager since 1973 and served as acting town manager following the resignation of J. Maynard Austin over a year ago, had no comment on the proposed administrative realignment proposed by Clark.

Clark, who under the charter has the right to organize the town's agencies in the manner he sees best, said this week that it was his intent to create a director of finance and budget, to better guide and control the town's financial operations.

The position of assistant manager would be abolished and replaced by the director of finance and budget, thus no increase in personnel.

The new director would have a major business oriented background, preferably holding and MBA degree and have some government experience, Clark told selectmen.

The new department is suggested in a report made by the auditor's who have just completed an examination of the town's financial picture. Clark said he had not anticipated further town reorganization until the auditor's had made the recommendation.

Since his appointment last spring Clark has reorganized agencies within the town to create a better reporting system to the administrator. Instead of some 20-30 department heads formerly reporting

directly to the manager, there are now about 12.

This has been accomplished through the creation of the department of community development which co-ordinates planning, conservation zoning, health and other agencies directly concerned with the town's growth.

Also created was the department of community services which has assumed the operations of the former recreation community schools department, along with elderly services and other allied agencies.

Clark said that the reassignment of the assistant manager position to director of finance and budget will place a person responsible for the day to day operations of the town's finances, keep a better control of the budgetary operations of the town. He would be working with the collector-treasurer, accountant and assessor, all of whom have been appraised of the proposed reorganization and agreeable, the manager stated.

Cohen's background is not adaptable to the requirements of the new position. He will remain in the town's employ for some time, however, since the contemplated reorganization is not an immediate one and selectmen have asked for some time to view the overall proposal before its implementation.

Clark said that once the reorganization plan is completed, positions within the administrative structure can be filled from below, or above, on the ladder, should vacancies occur for any protracted period.

Two Charged In Andover Man's Death

A probable cause hearing is scheduled for tomorrow in the stabbing death of George N. Jackson of 502 South Main St., early last Friday, following a traffic argument and a running "harrassment" game up and down Route 28.

Arraigned in Woburn District Court last Saturday, and remanded to the Billerica House of Correction, were John Keough, 19, and Wayne L. Smith, both of Wilmington.

Funeral services were held for Jackson Tuesday in Melrose, followed by a funeral mass at the Church of the Incarnation in Melrose.

North Reading police say the argument that led to Jackson's death began as Jackson and three friends were leaving the Barnside Restaurant on Route 28, North Reading, about 1:30 a.m. Friday.

Their car, and the one driven by Keough, with Smith as a passenger, pulled out of the parking lot at about the same time. North Reading Police Chief Gordon Berridge said "somebody cut in front of somebody else," and the two drivers began a running harrassment game, passing each other back and forth as they drove north on Route 28.

The two cars turned around at Gould

Road, Andover, and headed south again to North Reading. They turned onto North Street and stopped in front of the Evelyn Murphy School.

Jackson and Keough got out of the two cars, police say, and Jackson was stabbed twice in the chest and twice in the left arm.

He was taken to the Wilmington Regional Health Center, then transferred to Choate Memorial Hospital in Woburn, where he was pronounced dead at 2:55 a.m.

According to Berridge, Keough was arrested at 4 a.m. by Wilmington police who stopped his car in response to a description broadcast by North Reading Police. Smith was arrested at his home about 5 a.m.

Jackson, who moved to a new house near the North Reading line about a year ago, was a self-employed carpenter. Born in Boston, he attended schools in Melrose and graduated from Melrose High School in 1970. He is survived by his mother, Mrs. Catherine R. Perry of Teaticket; his father, George N. Jackson of Cambridge; a brother, Jay R. of Revere; two sisters, Julia A. of Teaticket and Mrs. Deborah A. Medeiros of Otis Air Force Base.

School Site

(Continued from Page One)

raise costs, either by building sidewalks or in providing buses. The town is already paying more for transportation than for text books, he advised.

He further hoped for after-school use of any new building by students. He said studies show that if the pupils live within a quarter or half mile, they'll return. Beyond that, they have to be driven.

In the area of security, he said that people who live close to schools are more apt to report unusual activity, whereas more isolated schools go unwatched.

Finally, he concluded, "I can't see moving East to West, and moving West further on out. I feel these students deserve a new school."

Mrs. Gloria Wager of Pinecrest Road, representing the Bancroft PTO, said they have "strong negative feelings against moving the junior high," and raised the question of accessibility.

"A lot of the support for the building program has come from the east side of town," she said, "and you might lose some of that support if we lose the neighborhood school."

Mrs. Peggy Keck of the Planning Board reported that the present East Jr. High site has 17 acres, including Doherty School and the Playstead, whereas South School has more than 60 acres, Sanborn, more than 40 and Cross Street, about 95.

Mrs. Beverly Darling added that the south and west are the areas with the greatest growth potential and that Cross Street would be the most favorable site for a new school, if one is to be built in West Andover.

Erickson said the schools the town builds now will be those existing when the town is "full grown," probably about the Year 2000. School Chairman David Ahouse, however, contended that with the declining birth rate and the increased cost of living in Andover, there could be fewer children here then, than now.

Committeeman Joseph Finn questioned if the present site of East Jr. High might be surrounded by commercial operations in the next few years.

Erickson said "there's always pressure to expand the central business district." However, he said, zoning changes would be required and two proposals that have come up in recent years have been soundly defeated by town meeting.

He said the CBD study shows that people

want a more "viable" downtown area, not necessarily a bigger one, and he predicted that coming years will see continued conversion of larger old homes in the area to apartments and offices.

Renovation Vs. Building

Joseph Howard of Livingston Circle took issue with the school committee's decision to set aside further talk about renovations.

He asked if they weren't making a decision they had promised to leave to town meeting — whether to renovate East Jr. High or build a new one.

Ahouse replied that their only decision at this point was not gather further information about renovations. Clark added that this was not an attempt to avoid going back to town meeting, but rather to fulfill Article 1 of the special December meeting, which allows use of planning funds to study new construction as well.

Architect Stan Shilensky of Perley Gilbert Associates had earlier shown five renovation-building schemes that differed primarily in the amount of the old school each uses versus new construction.

But he estimated each of the five plans would cost in the vicinity of \$8 million to implement, whereas he felt a totally new building could come in around \$6.6 million, including site preparation.

The latest and "most economical" proposal, Scheme 5, would abandon the old Punchard wing of the school and add a large, compact addition at the rear of the two remaining wings.

Shilensky said that while this made the most sense of all renovation plans, it would still cost around \$7.8 million for a total of 126,923 square feet.

On the other hand, he said a new building, based on the state-recommended 135 square feet per student, would come out to 10,250 square feet for the anticipated 750 students.

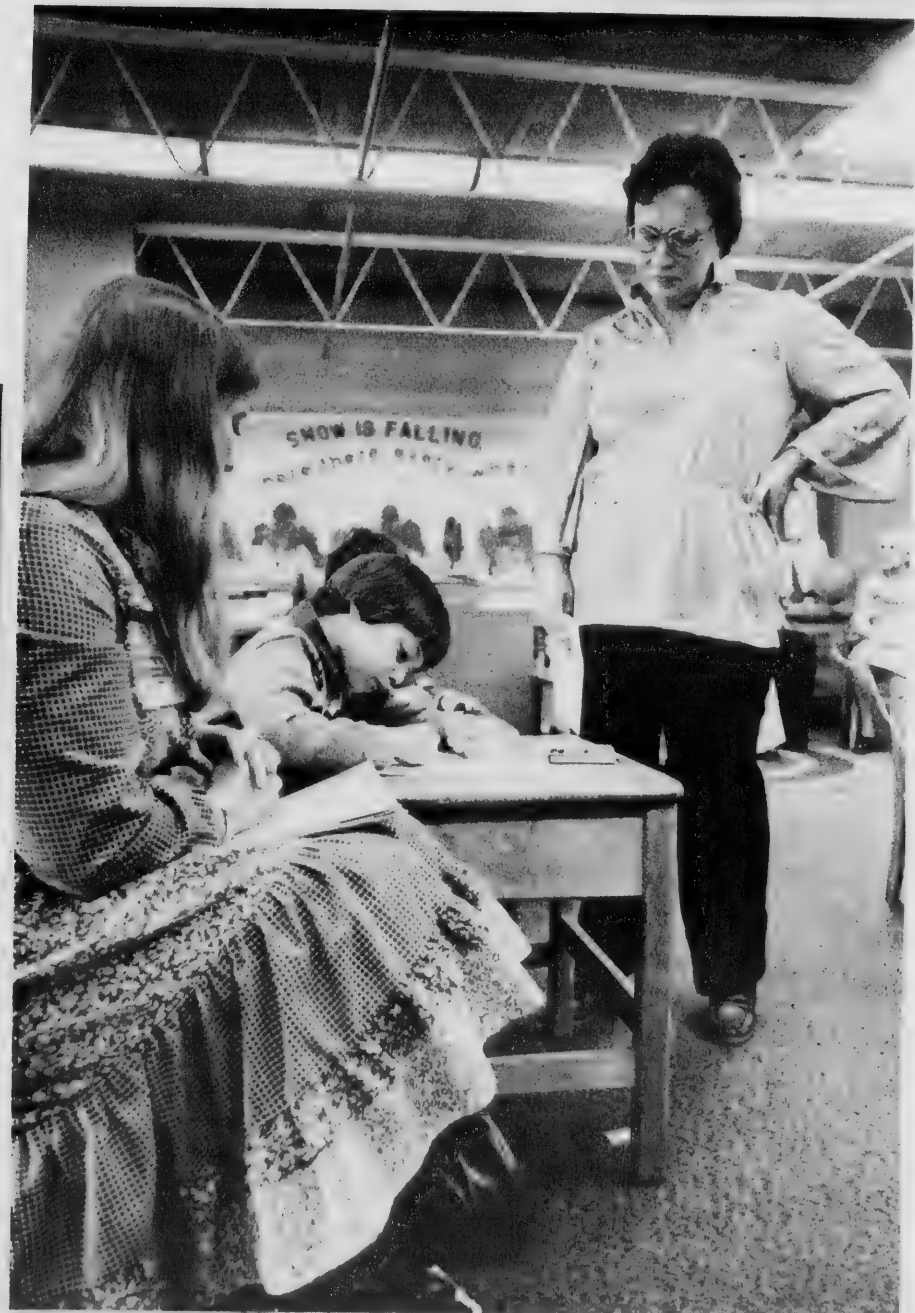

"Most of us architects realize," he went on, "that junior highs can be done for less than 135 square feet per student," and he guessed this one could be done in as little as 97,000 square feet.

The renovation would be so large, he explained, because of the corridors needed to circulate pupils between three floors and three wings, and modern educational needs.

Oldsters See Youngsters In Action

Tuesday was Grandparent's Day at South School, and those pupils who couldn't bring them, invited assorted aunts and uncles and "other adult friends." Here some of the guests learn how things have changed in first grade. Clockwise, beginning above: Grandparents Mr. and Mrs. Dennis Pettigrew of Jenkins Road, watch Erica Giles make sentences; Mrs. Bernard Ristuccia of Holt Road, converses with grandson, Michael; Mike Murnane demonstrates to his aunt, Donna Pelekasis, at left, and grandmother, Mrs. Joan MacMillan, at right; Teacher Rita Funi chats with Scott Bernard's father, Joe, and grandmother, Mrs. Rose Bernard of South Main Street.

Let's Keep Fun And Games In Perspective

Now that the soccer devotees and Little League baseball proponents apparently have their field problems solved, we would hope that the main purpose of such activity remains in the category of pure, wholesome fun for the youngsters.

One of the disturbing aspects of any of these youth oriented programs is the over emphasis on competitiveness or the win at all costs attitude.

Among disturbing comments made at the meeting with selectmen this week was the contention by Little League people that Andover's fields were in deplorable condition.

It was said that Newburyport Little League officials would not play here because the fields were so bad.

This is about the first time we have heard that the Little League fields were in tough shape.

Hopefully, Andover Little League and visiting organizations do not expect Fenway Park conditions on local fields. Or, that the soccer people would anticipate a playing surface equivalent to Shaefer Stadium where the Tea Men play.

By the same token, we would not want to see the fields in a condition reminiscent of the days when glass and rock strewn sandlots provided the recreational area for pickup teams.

The playfields afforded for the town's recreational activity seem to be appropriate for the type of competition conducted during the spring and fall seasons.

There is little doubt that the growth of such programs as soccer and Little League, has taxed the playing surfaces tremendously.

Andover has been fortunate to have the amount of volunteers interested in providing the sports programs for youth of the community.

The town may even be exceptional in the amount of recreational opportunities it offers its youngsters through voluntary supervision.

Keeping the fun and games in proper perspective now seems to be a most important factor.

Complaints about field conditions may or may not be justified in some cases. But as long as the playing surface is safe and provides an area where the youngsters can compete, should be sufficient.

Well groomed diamonds don't seem to be a mandatory thing for a Little League program.

And, as has been the case from time to time, zealous coaches admonishing youngsters for errors seems also out of place.

A regimented sports program has its place, but not at the particular age level.

It now appears that this spring the 26 fields available for recreational use in Andover will be available to both soccer and Little League on a compatible basis.

There won't be any big league scouts or college recruiters in the stands or on the sidelines, so let's just let the kids go out, and have a good time in a strictly amateur, recreational setting.

JACK ANDERSON WITH JOE SPEAR WEEKLY SPECIAL

Despite Loans to Farmers Carter's Popularity Wanes

WASHINGTON - Jimmy Carter isn't popular with his fellow farmers in Georgia and has tried to placate them with federal loans. No other state has received so much farm relief.

But it hasn't mollified the farmers. Hundreds of them descended on Carter's home town during the Christmas weekend. They were not there to wish the president a Merry Christmas. They were there to express their displeasure with the Administration's farm policy.

We sent two reporters, Tom Rosenstiel and Hal Bernton, to Georgia to investigate the story. They found the farmers in an angry mood. Everyone else in the food business, they complained, is making money off their crops, but they can't keep up with expenses.

Yet the Carter administration has gone all-out to take care of the president's neighbors. He has used the taxpayers' money to shower blessings upon Georgia's dirt farmers.

Farmers in other areas have waited in vain for federal disaster relief, but not Georgia farmers. Our investigation of the records, for example, reveals that the Small

Business Administration has distributed 25 percent of its disaster loans in Georgia.

This has put Georgia ahead of all other states in obtaining SBA loans. The average loan for Georgia farmers was \$46,436 - twice the average amount that farmers in Iowa, the second highest state, received.

The Agriculture Department poured additional money into the state. Georgia got 8 percent of these funds, again higher than its fair share. In the president's home county, Sumter, 289 farmers got agriculture loans. The average was \$70,500 apiece.

Footnote: In fairness, the president's neighbors were among the hardest-hit farmers in the country.

Holiday Travel: Congress is now in recess, and the members have scattered to the four winds. On any given day, they can be found on several continents and the islands of the Caribbean.

Some of the trips are worthwhile. Contacts are made, understandings are reached, legislation is born. But many of the trips are nothing more than holidays at the taxpayers' expense.

Just before the New

Year's weekend, there was a scramble for one VIP plane which the Air Force makes available for congressional junkets. Certain members of the House Public Works Committee tried to reserve it. They wanted to spend the New Year's weekend in Dublin, Rome and Geneva.

The congressmen solemnly explained that they wanted to inspect the "subway systems" in these faraway cities. They were informed that Dublin and Geneva have no subway systems.

The sheepish lawmakers were in the midst of revising their prospectus when their Air Force plane was requisitioned out from under them. It was preempted by Larry McDonald, D-Ga., who belongs to the House Armed Services Committee.

This is the committee that rules on Air Force requests. So the brass hats took the plane away from the Public Works Committee and assigned it to McDonald. He wanted to take some colleagues and their wives on a holiday trip to Ireland, Norway, Switzerland, Egypt and Israel, with a stop in the Azores islands on the way home.

Their excuse wasn't

much better than the Public Works Committee had offered. The McDonald group announced they wanted to study "civil defense" systems.

This may have caused them some difficulty in Ireland. It is a neutral country, with only a token civil defense system.

Soviet Persecution: Religious persecution in the Soviet Union is not limited only to Jews who want to emigrate to Israel. Recently, the Russian Christian Pentacostal community has come under fire. One member, Victor Vasilev, was ordered to renounce God in writing. Otherwise, he was told, he would be barred from entering a military institute. Vasilev's Russian bosses told him the institute would rather produce five bad engineers than one good one who is a "believer."

Defense Doublespeak: To show that they approve of ending sex discrimination, the brass hats in the Pentagon have dispatched a memorandum to seven major defense agencies on the subject of housing for military bachelors. No one will be allowed to refer to such barracks as "bachelor housing" anymore, says the memo. From now on, the document states,

bachelor quarters will be known as "unaccompanied personnel housing."

Chinese Gangs: In the past five years, gang warfare among Chinese immigrant youths has erupted in the streets of some major American cities. In Los Angeles and New York City, police officials have been unable to stop the fighting. Now, Canadian intelligence sources report that there has been an increase in young Chinese in Ft. Erie, St. Catharines and Niagara Falls. As in the United States, many of the Chinese youths are reportedly gang members.

Headlines and Footnotes: Seven Haitians who were recently arrested in Puerto Rico for attempting to gain entry to the United States with phony passports named a female comrade as the supplier of their forged documents. Authorities declined to arrest her because, in their words, she was "extremely pregnant." According to secret intelligence reports, the latest drug craze in California is cocaine smoking. The white powder, in its alkaloid form, is mixed with petroleum ether and smoked in small pipes or mixed with tobacco.

New Brochure

To the Editor of the TOWNSMAN:

The new brochure just published by the Development and Industrial Commission provides a unique and exciting approach to telling the successful Andover development story to industrial location decision-makers.

Remarkably designed and beautifully printed, this brochure will be an important tool for attracting desirable industry. Initial responses from industrial brokers, company executives and state officials have been overwhelmingly favorable.

Credit should be given to the subcommittee responsible for its publication.

Members include Joe Hoffman with Sue Tucker and Cleve Gilcreast assisting.
Lawrence S. Spiegel

Greenbelt Walk

On Sunday, Jan. 14, the Essex County Greenbelt Association is holding a walk at the Maddock Wildlife and Livermore Woods Reservations in Boxford. Meet at Topsfield Town Hall on Route 97 at 1 p.m. Cross-country ski and snowshoe country if

there is snow, otherwise pleasant walking over wood trails.

Basketball Warriors Off On Right Foot

By Jess Parks

The Andover High Golden Warriors started the year off on the right foot as they defeated the Methuen Rangers 62-52, and just edged the Billerica Indians 42-36 on Wednesday and Friday of last week.

Andover took its undefeated 6-0 record into Methuen last Wednesday to play a Ranger team it had beaten but two games before in the Christmas tournament. The Rangers, hoping to average their tourney loss, were tough in the first quarter as they battled back from a 9-3 deficit to trail by two at the end of the quarter, 11-9. Andover was in foul trouble already, as starting center Todd Orlando picked up three first-quarter fouls.

With Orlando in trouble, the Warriors shifted to an offense which moved Jim Arnold 12 points to center and brought in a junior forward Rip Williams. Arnold seemed to like his new position as he tossed in seven second-quarter points to lead the Warriors to a 30-22 halftime lead. However, Andover was having no success with Methuen's star forward Kevin Bradley (22 points) who scored eight of his team's 13 second-quarter points.

The third quarter brought good defense and a balanced offense for Andover as the Warriors held Methuen to nine points, while Rip Williams, Tom Curtin (15 points) and Mark Maher (11 points) contributed four points to the Warrior effort. Meanwhile Todd Orlando was still having trouble with the officials: the big (6'8") center fouled out with two minutes left in the third quarter.

Rip Williams (15 points), playing an excellent and impressive game as the "sixth man," led the Warriors in the final quarter with nine points. The Warriors had spurred to a 60-39 lead when Coach William Hixon sent in the second team. The bench guard played well, but were no match for Methuen's starters (most of whom were still in the game) who outscored them 13-2 to account for the final 62-52 score. The victory was costly, however, as point guard Tom Curtin injured an ankle and had to sit out the Warrior next game against Billerica.

Billerica proved to be the toughest challenge of the year to date as the Warriors, hindered by the loss of Curtin,

Tom Curtin led the Warriors to a 72-61 win over Lawrence High Tuesday night. Curtin had 19 points for the night.

just slipped away to a 42-36 win. Coach Hixon was forced to invent yet another offense, this one sporting Dave Nardone as guard. Rip Williams again played a full game at forward.

Andover took the early lead 4-0, and with help from two outside baskets by Mark Maher, led at the end of the first quarter, 10-4. Billerica's two outstanding outside shooters, forward Eddie Fogarty and guard Eddie Foley, were both cold, hurting the Billerica offense.

In the second quarter, Andover continued to lead, stretching its lead to 13-4, and then 20-10. However, Billerica began to storm back. 6'7" center Arday Dagle scored four points to make the score 20-16, and the Indians then battled to remain four points back at halftime, 24-20.

This would be Dagle's only outburst of the game however, as the Andover zone (especially Todd Orlando) put a clamp on Billerica's big man in the second half. This defense was the key to the game, as Billerica's only big quarter was the second. In each of the other three periods the Indians were held to under 10 points.

Billerica opened the third quarter with a bang as Fogarty (13 points) tallied two baskets to tie the score at 24-24. However, Dave Nardone (eight points) countered with some outside stuff of his own to break the tie and give Andover a slim two-point margin at the end of three periods, 30-28. This six-point quarter was the worst of the year for the Warriors, and it almost cost them their eighth victory.

The Indians tied the score again at 30-30 but this time guard Mark Maher (10 points) broke it with an outside bucket. Maher added another basket and Jim Arnold (eight points) scored to put Andover in front 36-30. Second afterward Arnold fouled out, and Andover was without its major rebounding source with 4:25 left in the game. Arnold had amassed 19 rebounds.

Coach Hixon sent in Kipper Jones and the sophomore forward who had not played four minutes in the whole season did a fantastic job, including one

memorable stuff of a Fogarty jumpshot. Billerica closed to 36-32, however a three-point play by Todd Orlando (11 points) iced the flame. Three Rip Williams free throws accounted for the final score, 42-36.

The Warriors now boast an 8-0 record and they face the toughest week of the season in playing Lawrence at Lawrence Tuesday night (Jan. 9) and Chelmsford at Andover tomorrow night (Jan. 12).

Bill Koch Race Set Saturday

The first Bill Koch Ski Race of the season has been rescheduled for Saturday, Jan. 13 in Sudbury.

A good snow base is needed for the race and unseasonable weather has caused one postponement. Snow conditions permitting, all interested racers will meet at 9 a.m. at the Phillips Academy Ski Room for the car pool trip to Sudbury. Contact John Perowski to arrange transportation.

G. Warren Patterson will lead a ski tour outing or a hike for the local league members who will not be racing. This group will meet at 10 a.m. at the Phillips Academy Ski Room.

Each week, activities of varying levels of ability (either racing practice or slow-paced touring are scheduled for local league members who range in age up to and including 13 years. Only an interest in cross-country skiing is required to join the group.

The loud clash of cymbals is due to their usually being made of an alloy consisting of eight parts copper to two parts tin.

Surrett Paces Tracksters

By Ben Bram

The Andover High School varsity track team remained undefeated, with a 3-0-0 record going into Monday's clash with the defending conference champions, Methuen.

In the three conference meets, the Warriors had no problem defeating Tewksbury, Wilmington and Austin Prep.

Against Tewksbury, they captured first place in seven of the 10 events, for record a 59-27 victory over the Redmen. Kevin Worthley in the two-mile, Bob Surrett in the 50-yard high hurdles, Bob Wilkens in the 50, Dan Grams in the 300, Bill Lucey in the 600 and David Hotham in the 1000, were the individual first place finishers, while Jim Lacourse, Surrett, Dwain Dorsey and Dan Grams also won a first place in the relay. Seconds went to Lacourse in the 50, Bob Flaherty in the 300, Mike Terrion in the 1000, Jeff Barlow in the mile, John Murphy in the shot put and Wilkens in the high jump.

In the Wilmington meet, the Warriors won six events as Worthley, Surrett, Wilkens and Lucey again finished in first place. In addition, Jeff Barlow won the mile and Wilkens won the high jump.

The Warriors won six events again in the meet with Austin Prep. Surrett again won the 50-yard high hurdles, while Wilkens won the 50 and the high jump. Bob Flaherty in the 300, Ira Gold in shot put, and the relay team of Flaherty, Surrett, Wilkens and Grams, received the other firsts. The final score of 52-34 made it the closest meet of the young season for the Warriors.

In the Methuen Invitational, the Warriors finished in second place, four and a half points behind Peabody, and two points ahead of host Methuen. Bob Wilkens finished first in the high jump, with a meet record jump of 6'5", while also winning the 50. Surrett in the 50-yard high hurdles and Grams in the 440, the two-mile relay team and the mile relay team finished with seconds.

In the state coaches' meet, Surrett captured a second and Wilkens, a fifth.

Girls Track Sets Record

In a recent North Shore League Girls Indoor Track meet with Bishop Fenwick High School, the Andover High School Girls lap-relay team outran Fenwick with a new league record of 1:22.8. On the record setting team were Marcie Spiegel, Karen Surrett, Polly Whitley, and Doretta Robinson.

Although the AHS girls lost to Bishop Fenwick by a score of 55-36, they had three first place finishers. Marcie Spiegel also won the 50-yard dash with a time of 6.5 and later out-tossed her competitors in the shotput with a distance of 33-8. The other first place finisher for Andover was Doretta Robinson with a 40.8 in the 300. Second place finishers for Andover were Kim Whitworth in the hurdles (7.8) and Janis Stelzer in the 1000 (3.04). Mary Kate Marocco placed 2nd in the shotput (28') and Ann Frank in the high jump 4'8". Third places for Andover were taken by

Monica Williams (50-yard dash), Sue Bright (mile), and Jill Kennedy (high jump).

The loss dropped Andover's record to 2-1. Their win was over Lexington 50-41. The Golden Warrior girls go up against Methuen next Saturday at 10 a.m. at the Methuen fieldhouse.

No Snow No Race

With the weatherman not cooperating, no snow conditions forced the postponement of the 1979 Buddy Werner racing season's opening event of Andover vs. Bradford. These two teams will meet in a rescheduled match on Sunday, Jan. 21, at the Bradford Ski Area.

Plans are underway to open the race season with Andover facing off against the Waltham skiers at Prospect Hill in Waltham on Sunday, Jan. 14. The starting time for the race will be 9 a.m. sharp. All racers should be at the hill by 8 a.m. so that they may register, pick up their bibs and properly study the course.

The next scheduled snow practice is to be held on Monday, Jan. 15, starting at 6 p.m. at the Bradford Ski Area. This practice will take the place of the usual Wednesday practice.

In the event of no snow conditions, parents will be advised of any changes.

Crusaders Continue Undefeated

By Rick Harrison

Holy Cross, sparked by a balanced seven-player scoring attack, jumped to a big lead early and coasted to a 28-19 victory over Harvard in their recent battle for first place in the Andover Youth Basketball League Intermediate Division.

Both teams had entered the game undefeated. The Crusaders emerged 5-0 while the Crimson slipped to 4-1.

Third-place Dartmouth, North Carolina State and Villanova also split a pair of games during the busy post-holiday week.

Holy Cross, 28-19

The showdown game developed into a one-sided affair, as Holy Cross grabbed a 6-2 first quarter lead and stretched that to 14-6 at halftime and 24-8 after three periods.

Harvard made a comeback bid in the fourth stanza, outscoring the Crusaders 11-4, but the deficit was simply too much to overcome.

John Lahood led Coach Bob Sheehey's undefeated crew with 10 points while Mike Coelho, Rich Napolitano and usually high-scoring Dean Weaver chipped in 4 markers apiece.

Lisa Marcella had one bucket and played another strong defensive game, while Joe Milora and Brian Sheehey contributed fieldgoals.

Harvard sharpshooter Bill Weidman was held to just 4 points. Doug Lindquist was the big gun for the Crimson with 7, Pete Fernandes netted all 6 of his points in the fourth quarter, and Bob Hunter flipped in one bucket.

Tim Perry played well for Harvard.

N.C. State, 34-8

Chris Marcella poured through 20 points to power North Carolina State to its convincing 34-8 conquest of Boston College.

John Hopwood tossed in 7 points, Greg Hopwood 4 and Dave Epstein 3 to complete the NCS attack.

Mike Morris added a fine all-around effort for the victors, who had just five players on hand for the game.

Dean Orfanedes was the entire show for Boston College, notching two first period baskets and a pair of fourth quarter fieldgoals for 8 points.

Dean Lockwood, Ed Melia and Charlie Lowe chipped in hustling performances for the Eagles.

Dartmouth, 31-28

Dartmouth, which has been playing them close most of the season, rallied behind divisional scoring leader Mark Nardone (73 points) to edge tough-luck Villanova 31-28.

The Wildcats had the Big Green on the

run, using a 12-4 third period burst to take a 24-18 lead into the last quarter.

However, Nardone netted 10 points, Nicole Marcella hit a floor shot, and Mark Doherty a free throw as Dartmouth went on a 13-4 spree to pull out the win.

Nardone emerged as game-high marksman with 19 points, and he is now averaging 14.6 per game.

Mark Doherty fired in 6 points, Marcella 2, Mike Boush 2, and Dan Sheehan swished a pair of first period free throws.

Steve Boush and Joe DeQuattro also played well for Dartmouth.

Tom Lutz, who keyed Villanova's third period run with eight points, finished the game with 14.

Brian Orlando tossed in 8 points, Chris Cormier 2, Matt Ostrowski 2 and John Terrion 2 points.

The Wildcats played without the services of Jim Stelzner, who is averaging close to eight points per game.

Holy Cross, 36-24

A strong second half effort boosted Holy Cross to a 36-24 win over Dartmouth.

The Crusaders inched ahead 10-8 after one period and 20-16 at halftime. A 16-8 margin over the last two quarters sealed the victory.

Dean Weaver, scoring in every period, pumped through 16 points for The Cross. Chris Comparato and Mike Coelho added 6 markers each, Lisa Marcella 4 and Brian Sheehey 4.

Weaver and Comparato keyed HC's fast break, while Lisa Marcella handed out some fine assists and played a solid defensive game.

Brian Sheehey, Joe Milora and Comparato led the Crusaders' pressure defense.

Mark Nardone, who also scored in every period, finished with 14 points.

Mark Doherty added 8 points and some excellent defensive play for Dartmouth, while Mike Boush had a second period fieldgoal.

Mitch Levine and Joe Flosman turned in fine games for the Big Green.

Harvard, 38-21

Harvard outgunned North Carolina State 14-2 in the pivotal third quarter, breaking open a tight game enroute to its

38-21 victory.

The Crimson were clinging to a slender 14-10 halftime advantage before erupting to double their score in the third period.

Tim Perry and Bill Weidman shared game-high honors for Harvard with 12 points apiece, Perry notching six in the third stanza.

Doug Lindquist and Pete Fernandes added 6 points each, while Mark Patti stuffed a last quarter fieldgoal.

Chris Marcella netted 7 points, John Hopwood 6, Paul Oshan 5 and Greg Hopwood three foul shots for N.C. State.

Only Lakers Undefeated In Senior League

31

THE TOWNSMAN, JANUARY 11, 1979

This promises to be a competitive season for the six teams in the AYBL Senior Division this year, with only the Lakers undefeated after two games and four teams tied at 1 and 1.

Nets 28, Kings 27

In their second close game of the season the Nets came out on the winning end, their first victory since coming into the league. With the score tied 13 to 13 at the half and 22 to 22 after three-quarters, the teams traded baskets with Mike Blair's free throw deciding the issue. Dave Rossback with 9 points and Scott Zimmerman with 6 led the Net offense. Eric Fredette and Peter Caplan paced the Kings with 8 and 7 points respectively. Good D to Phil Puccia of the Nets and to Arthur Dunlavy and Hugh Meyer of the Kings.

Nets: P. Puccia 5, M. Blair 2, D. Rossbach 9, J. Dieter 4, C. Garabedian, L. Parpart, M. Rosen, S. Zimmermann 6, S. Newman, S. LaCourse 2.

Kings: E. Fredette 8, B. Bachnee, A.

AYBL

(Continued from Page 30)

Villanova, 25-6

Tom Lutz tossed in 10 points to lead the Wildcats past Boston College, 25-6, for their first victory of the campaign.

Dylan Callahan, Brian Orlando and Jim Stelzner contributed 4 points apiece, Chris Cormier 2 and Matt Ostrowski canned a free throw for Villanova.

Dean Lockwood was the whole offense for BC with solo buckets in the first, third and fourth quarters.

Marcie Lascher, Dean Orfanedes, Ed Melia and Charlie Lowe also played for the Eagles.

Dunlavy 2, M. Epstein, M. Pandealeo, J. Barrett 4, P. Caplan 7, D. Fredette 1, H. Meyer 2, C. Frazette 1, R. Harrison 2.

Hawks 27, Knicks 18

Led by Don Minor's 12 points the Hawks used the second and third quarters to put the game out of reach. Jeff Linquist tossed in 6 and Pat Beaudine and Greg McAnern had 4 each. Tim Conkery was high for the Knicks with 6, while 3 players, Bob Folley, Tim Madden and Tim Powers had 4 each.

Good D to Bob Folley and Tom Powers of the Knicks: B. Folley 4, T. Kelly, J. Robbins, T. Corkery 6, T. Madden 4, J. Madden, T. Powers 4, B. French.

Hawks: D. Minor 12, E. Loweaudowski, J. Lindquist 6, J.R. Lindquist 1, P. Beaudine 4, G. McAnern.

Lakers 30, Celtics 24

Over the years the Lakers and the Celtics have had some great ballgames and this was another. The Lakers led by Ted Kiszewski and Mike Sherman with 10 points each jumped out to a 10-4 lead but the Celtics rallied and tied the game at 22 each in the fourth period led by Ben Bram's 10 points and Joe Buzzet's 6.

Good D to Chris Valcourt, Terry Flynn, Tammy Doyle and Connie Twoomey of the Lakers and to Mark Paradie, John Brahn and Joan McCullan of the Celtics.

Lakers: T. Listewski 9, C. Twoomey 2, G. Acciamo 2, D. Glynn 4, B. Vickers 2, T. Flynn, C. Valcourt, M. Sherman 10, G. Ahern, T. Doyle.

Celtics: B. Foley, J. Lowe, J. McCullan

Rechargeable secondary batteries are the key to the development of electric vehicles and alternative methods of generating electricity, says Boston's Museum of Science in its new exhibit, "Energy: Crisis and Challenge."

4, M. Paradie 2, J. Brahn 2, B. Bram 10, A. Wise, J. Buzzett 6.

Next games, Saturday, Jan. 13 at East

Junior High as follows: 2 p.m., Knicks vs. Lakers; 3 p.m., Celtics vs. Kings; 4 p.m. Nets vs. Hawks.

Elms

Wood of the elm tree is difficult to split because the fibers are in a stepped pattern, Massachusetts Audubon points out.

Beneath the ground, elm wood is very durable; 250-year-old sewer pipes of elm and cedar have been found in Europe.

SAAB

For those shocked
that a new VW, Toyota,
Datsun or Honda can cost
\$5,000 to \$7,000...

The \$6473* Saab.

When "inexpensive" cars cost from \$5,000 to \$7,000, the Special Edition Saab at only \$6473 is a remarkable buy. Because Saab - any Saab - is rated by car experts, worldwide, as one of the finest performance cars on the road.

The \$6473 Special Edition Saab 99GL 2-Door comes with the performance features that have made Saab famous, such as front wheel drive, rack and pinion

steering, overhead cam, fuel-injected engine.

If you're checking out a new VW, Toyota, Datsun, Honda and others test drive a true performance car; the Special Edition Saab. Then realize how enjoyable, sensible and comforting it is to get all that Saab performance for the price of a regular car.

The Special Edition is also a limited edition, so see your Saab dealer today.

*The price indicated above includes manufacturer's suggested retail P.O.E. price, manual transmission, dealer preparation, destination charges. Taxes, title and optional equipment are additional.

Bantam A Team Splits Pair

The Andover Bantam "A" hockey team split a pair of games this past week losing 8-1 to Medford and beating Concord, N.H., 4-3.

In the Medford game Andover's Wilmington League record dropped to 1-14 as the locals reached the halfway point in its league schedule. Medford, one of the top three teams in the league, scored five times in the first period and once in the second before Andover got on the scoreboard.

Andover's goal was scored at 10:37 of the third period by center Tom MacDnald, his 10th, as he drove the puck past the Medford goalie right from the face-off in the Medford end. This was a powerplay goal.

Medford added two more goals in the third period to close out the scoring.

Heavy Bite

A squirrel's bite has a pressure of 22,000 pounds per square inch, a rat's bite is 7,000 pounds per square inch, a telephone company has found, according to Massachusetts Audubon. For protection, telephone cables will be encased in stainless steel.

Macadamia

Macadamia nuts are named for John Macadam (1827-65), a Scotsman who enjoyed these nuts in Australia. They were introduced to the Hawaiian Islands in 1878. The big island of Hawaii produces 95 percent of the world supply, according to Massachusetts Audubon.

The game played at Concord, N.H., was a see-saw battle all the way.

Andover's Greg Sacco opened the scoring at 11:13 of the first period scoring his 17th of the season with the assist going to MacDonald.

Just 49 seconds before the end of the first frame defenseman Bob Leber notched his second of the year from close range with assists going to Sacco and J.J. Downey.

At 2:21 of the second period Concord's Jim Young scored on a powerplay and at 6:13 he tied the game at 2-2.

Andover took the lead again at 12:57 on a powerplay goal by John Best (his sixth) with George Price assisting.

The Andover crew increased its lead to 4-2 at 2:55 of the third period on MacDonald's 11th of the season. Downey drew the assist on this tally.

Concord closed the gap to 4-3 with 1:52 remaining but could not score the equalizer even while pulling their goalie for a sixth attacker.

The game was roughly played with 21 minor penalties being whistled.

Goalies Scott Round and Karl Fredrickson were outstanding combining for 29 saves in the Andover net.

Andover was scheduled to meet Lawrence last Tuesday and will take on

South Boston tonight at Wilmington (7:15 p.m.) This weekend the team will travel to Pittsfield for games on Saturday and Sunday.

Andover's overall record now stands at 6 wins and 16 defeats.

Seastars Stay Undefeated

In meets with the Cape Ann and Lynn YMCA's, The Andover Seastar boys' Class A and C and the girls' Class C remained undefeated. Dan Paradis was a triple winner for Andover. Scoring double wins were Jill Bottomly, Greg Stelzner, Glenn Johnson, Mike Maher, Matt Donahue, Mary Ann Ponti, Anne Costello, Abby Robb, Joanna Haigney, Amy Morton, Linda DiPiano, Carolyn Cronin, Margaret Higgins, Alicia Policinski and Chris Marconi.

Paradis, swimming in Class C., won the 50 and 100 yd. freestyles and was on the first place medley relay team with Locky McDonald, Brian Shannon and Donahue.

In Class A, Greg Stelzner won the 200 yd. individual medley and teamed with Maher, Johnson and Dave Jennings to win the medley relay. He was second in the 100 yd. freestyle. Johnson won the 100 yd. breaststroke and was second in the 200 yd. freestyle. Jennings added two thirds in the 100 and 200 yd. freestyle events. Jill Bottomly won the 100 yd. butterfly and 100 yd. backstroke and was second in the 50 yd. freestyle. Terri Bratt won the diving competition in the girls' Class A.

In Class B, Betsy Wall took the 100 yd. backstroke and was second in the 50 yd. freestyle. Carol Robb won the 500 yd. freestyle and was second in the 100 yd. butterfly while Andrea Matchett was second in the 500 yd. freestyle and third in the 200 yd. freestyle. Julie Morton took a second in the 100 yd. and 200 yd. freestyles and third in the 100 yd. breaststroke and third in the 200 yd. individual medley. Adding points for the boys in Class B were Mike O'Keeffe, second in the 50 yd. and third in the 100 yd. and 200 yd. freestyle events; and, John Hannon, second in the 100 yd. and 200 yd. freestyles and third in the 100 yd. backstroke.

The girls' Class C medley relay team of Mary Ann Ponti, Anne Costello, Abby

Robb and Joanna Haigney remains undefeated this season winning over Lynn in the event. Each team member also took an individual first place. Ponti took the 50 yd. backstroke and was second in the 50 yd. breaststroke. Costello won the 50 yd. breaststroke. Robb captured the 50 yd. freestyle and placed second in the 50 yd. butterfly, while Haigney won the 100 yd. freestyle. Also adding first places were Lulu Donahue in the 200 yd. freestyle and Lisa Pomeroy in the diving competition. Maegan Hughes added second place points in the 50 and 100 yd. freestyles while Kate Inskeep was second in the 200 yd. freestyle and 200 yd. individual medley. Third places were won by Moira Schwing in the 50 yd. butterfly, Dawn Aikman in the 200 yd. individual medley and Karen McKay

in the 100 yd. freestyle.

Joining Dan Paradis with first place finishes in boys' Class C were Matt Donahue with a first in the 50 yd. butterfly and David Maxwell in the 50 yd. breaststroke.

Second place points were earned by Gregg Morava in the 200 yd. freestyle, Donahue in the 200 yd. individual medley, Gary

Pee Wee's Continue To Roll

The Andover Pee Wee A hockey team ran its current unbeaten string to five games in league competition with a 5-0 win over Beverly and a 3-3 tie with Lowell.

Backboning these two games were the continued steady goal tending of Mike Gibson and Steve McDowell. Up on the blue line, defensemen Shaun Bateson, Mike DelTrecco, Fran Ferrara, Dean LoPresti and Jon Crawford all turned in solid performances to reinforce Andover's strong showing.

Andover 5, Beverly 0

Andover started slowly against Beverly after their five day layoff for Christmas. The first period saw Andover barely holding their own early with only a few scoring opportunities, one when Tom Marjerison missed from 10 feet in front and Shane Smith hit the right post on a shot from the left face off circle. The defensive play of the game came late in the period when Steve McDowell turned aside a breakaway shot by Beverly while Andover was on a power play.

Andover opened the scoring at 7:55 of the second period as Ken Crawford fired home a hard shot from the right side. This goal held up through the end of the period.

As the third period opened, high scorer Zack Apgar made it 2-0 at 11:31; assisted by Chris Morrison. It was here that the flood gates opened. Ken Crawford scored again at 8:45 and again Jim Daly set up the tally. Only 26 seconds later, Crawford returned the favor and set up Daly's score for the fourth goal of the night.

The final goal was scored unassisted by Billy Dolnovan at 7:09. All told, it was a very rewarding game especially for Ken Crawford and Daly who both had three points on the night. Andover outshot Beverly by a margin of 31-6.

Andover 3, Lowell 3

The Pee Wee's started the New Year on the right track as they fought from behind twice to pull a 3-3 tie with Lowell. A makeshift line of Apgar, Donovan and Jon Crawford was put together for this encounter with very favorable results. The three accounted for all three goals and all four assists. Andover broke on top first as Apgar scored at 11:11 assisted by Crawford and Donovan. However, Lowell scored once in the first and once in the second to take a 2-1 advantage into the final stanza. The locals pulled even at 2-all when Crawford finished off a beautiful rush set up by Apgar at 9:17. When it appeared both teams would be unable to get an edge, Lowell got a fluke goal on a deflected pass at 3:41. At this point, Andover could have rolled over and died but they didn't. To the contrary, on the ensuing face off Andover took control and applied the pressure. Several near misses came from Marjerison, Enos, and DelTrecco's shots while Gibson turned aside numerous late-scoring drives by Lowell.

The equalizer came at 2:24 when Apgar cleanly beat the goalie on a hard wrist shot to the far right corner. The play was made possible by Jon Crawford's steal and pass to Apgar in the enemy zone. Other good performances were turned in by John Marocco, Doug Guittar and Fran Ferrara and Mike DelTrecco on defense.

Non-League Action

During the holiday break from school, the Pee Wee's met Methuen in a non-league game at PA in which the locals took a thrilling 2-1 overtime decision.

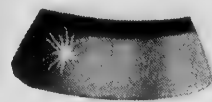

Methuen took a 1-0 lead into the third period although Andover had a slight edge in territorial play until that time. With little over 5 minutes to play in regulation time, Andover got the tying goal. Chris Morrison picked up the puck in the enemy zone and passed to Shane Smith who skated through the slot and fed Doug Guittar who fired the equalizer past the beaten goalkeeper. At the end of regulation time, the score was 1-1. The tension built as the overtime period was about to begin. However, as soon as the puck was dropped, center Zack Apgar took it in

alone and beat the startled goalie for the winning tally at 4:50. Andover out shot Methuen on the afternoon 28-10.

Later that evening, Andover took on Concord, N. H. in another non-league game which saw the locals drop a 4-2 deci-

sion. It appeared the afternoon game took its toll as Andover tired slightly in the third period. Scoring for Andover were Apgar and John Maracco, with Marjerison and Donovan picking up assists on the later goal.

Swimmers

(Continued from Page 33)

Bates in the 50 yd. butterfly, Locky McDonald in the 50 yd. backstroke and Brian Shannon in the 50 yd. breaststroke. Finishing third were Tom Murtagh in the 200 yd. freestyle, Grant Van Aken in the 50 yd. freestyle, Morava in the 100 yd. freestyle and Gerald O'Keefe in the 50 yd. backstroke.

Both Class D girls' relay teams were victorious. Swimming on the medley relay were Carolyn Cronin, Mary Robb, Margaret Higgins, and Amy Morton. The freestyle relay swimmers were Kara Hanon, Morton, Barbara Crowe and Linda DiPiano. Higgins also won the 50 yd. butterfly, Cronin the 100 yd. individual medley and DiPiano the 100 yd. freestyle. Melissa Morton took first place in diving.

Earning second place points were Robb in the 100 yd. freestyle and Amy Morton in the 50 yd. breaststroke as did Barbara Crowe in the 50 yd. backstroke and Mary

Moosa in the 50 yd. freestyle.

In boys' class D Brian Cronin placed second in the 100 yd. individual medley and 50 yd. butterfly. Thirds were scored by

Chris Perdigao in the 50 yd. freestyle, All Frizelle in the 100 yd. freestyle and Jay Marconi in the 50 yd. backstroke.

Alicia Policinski, swimming in girls' Class E, won the 50 yd. freestyle and 25 yd. backstroke for her double. Also taking a first was Erica Sandler in the 25 yd. breaststroke while Nancy Abramson was third in the 25 yd. backstroke.

Chris Marconi placed first in the 25 and 50 yd. freestyle events and was second in the 25 yd. backstroke in the boys' Class E. J.B. Burgess won the 25 yd. breaststroke and was second in the 25 yd. butterfly and 100 yd. individual medley.

Next Saturday, Jan. 13, The Seastar girls' team travels to the Cape Ann YMCA in Gloucester while the boys' team plays host to the Quincy YMCA swim team at the Haverhill Street building. The home meet begins at 1 p.m. with diving competition.

DCS-capades

Ice Conditions

Due to the cold temperatures, ice conditions at the Ballardvale Playground and Recreation Park are excellent. Ice will be made in the hockey rink at the Sacret Heart Field as soon as the first snow falls so that a base can be prepared for the skating surface.

Winter Program

For information on the 1979 Winter Program, be sure to check the special article in this week's TOWNSMAN. Registration for winter classes begins on Monday, Jan. 22, with classes beginning on Monday, Jan. 29.

Open Gym

The Department of Community Services is currently offering a modified open gym schedule. The schedule is as follows: High School (Grades 10 - Adult) — Monday and Wednesday, 8-10 p.m.; East Junior High School (Junior High only) — Wednesday and Friday, 6:30-9 p.m.

Bruins Tickets

The Department of Community Services is giving Andover residents the opportunity to see the Boston Bruins take on the Los Angeles Kings on Sunday, Jan. 14.

Tickets for the second annual "Bruins Night" are on sale now at the DCS office at 36 Bartlett St. Tickets costs include bus transportation to and from the Boston Garden. Buses will leave for the game (7:05 p.m. starting time) from the East Jr. High School parking lot at 5:45 p.m., and return to the same area about one hour after the game ends.

Girls Hoop League

The Department of Community Schools Girls Basketball League starts off the season with an instructional clinic on Saturday, Jan. 13 at the Bancroft Elementary School. The clinic will begin at 10 a.m. and all members of the league are invited to attend. League play begins on Saturday, Jan. 20. At the present time, only one junior high team has entered the senior division and it looks as though the junior high division will not have enough teams to have a competitive schedule. The elementary school division will be made up of less teams this year, but competition in the league promises to be just as tough as in the past seasons. Coaches wishing to make late entries into the league should contact the DCS office.

Moonlight Ski Tour

The Department of Community Services is sponsoring a "Moonlight Ski Tour" to be held — weather permitting — on Thursday, Jan. 18 from 7-9:30 p.m. The tour, which will be held on one of the local land reservations, will be guided by employees from Moor and Mountain. (Guide-skier ratio will be 1 to 6). Intended for the intermediate/advanced skier, the tour will attempt to take advantage of the full moon during that particular week in January.

Registrations and fees must be delivered to the DCS office on 36 Bartlett St. Sign-up ends at 4:30 p.m. on Tuesday, Jan. 16. For further information, individuals should contact the community services office.

Andover Plumbing & Heating Has Beautiful New Showroom

Planning to remodel or repair your kitchen or bath? Before you do anything, stop in at Andover Plumbing & Heating, 211 North Main Street, Andover. Their new showroom displays the newest of the new in kitchen and bathroom fixtures and cabinets.

See the great ideas for bathrooms, powder rooms and kitchens designed by Kohler Company, the standard of quality for more than 100 years. The new bold look of Kohler is evident in the new styles: bathtubs are long, deeper and more comfortable, lavatories are more convenient, with plenty of splashing room. Colors are bright and bold, or soft and sophisticated, according to your taste. There are designs to save your water, energy and money.

You will find there is something special about Kohler products, manufactured by a company that has backed its product lines since 1873. Toilets are lower and more modern looking, with seat covers in an endless range of solid colors and prints. A new shade in bathroom fixtures is Kohler Parchment, the off-white with character, a subtle decorator color that goes with anything!

Get acquainted with Andover Plumbing & Heating soon. Stop in and pick up your small plumbing supplies, energy saving materials, etc. for your home repair jobs. And while there, see the exciting new fixtures and cabinets for kitchen and bath, ideal for do-it-yourself remodeling.

Andover Plumbing & Heating also offers a complete package on bathroom and kitchen remodeling. They take care of everything: electrical work, plumbing, even the floors and wallpaper, the complete job. And they are not finished until you are completely satisfied. Schedule your bathroom or kitchen remodeling project now.

This is a reliable old firm, in Andover for the past 28 years. They also do commercial and industrial work, replace water heaters, service gas and oil heating systems, install heating systems, etc.

Visit their beautiful new showroom soon — Andover Plumbing & Heating, 211 North Main Street, Andover. Open Monday through Friday from 8 A.M. to 5:30 P.M. Tel. 475-5121.

Fields Released For Spring Activity

Editorial Board

This was the student editorial board of *The Phillipian* in 1889. It included Alfred E. Stearns, lower right in pince-nez glasses, later a distinguished Andover headmaster.

Phillipian Observes Centennial

Phillips Academy's student newspaper, the *Phillipian*, will celebrate its first one hundred years of continuous publication this weekend. Traditionally independent and uncensored under the editorial and financial control of a student editorial board, the century-old student newspaper appears weekly on the Andover campus except during exam weeks and vacations.

Former *Phillipian* editors, some now journalists in the national news media, and local newspaper editors will join the student editorial board and its faculty advisors for a public lecture, seminars and

celebrations Friday and Saturday.

Andover and Greater Lawrence residents are invited to join them Friday evening to hear alumnus Sheward Hagerly's '48, senior editor of *Newsweek*, give the second annual *Phillipian* Lecture on journalism in George Washington Hall at 8:30 p.m.

On Saturday morning, editor Andrew Guff '79 and his board, the *Phillipian* alumni from one, ten and seven sixty years back, and the editors of the *Andover Townsman*, *Lawrence Eagle Tribune* and *North Andover Citizen* will participate in

seminars on editorial policy and news and sports reporting. The seminars will be led by student editors and three alumni: E. Russell Donnelly, Jr. '56, promotion manager of the *Worcester Telegram-Gazette*; Robert B. Semple, Jr. '54, Chief of Foreign Correspondents for the *New York Times*, and free-lance writer Michael Savit '74. The focus will be on evaluating the present-day *Phillipian*, a frequent journalistic award winner, with an eye toward improvement in the second century of publication. As finale to the celebration, History Department Chairman Frederick S. Allis, Jr., long a faculty advisor to the paper, will speak of "Phillipian Editors I Have Known," at a luncheon at the Andover Inn for the *Phillipian* editorial board and its invited guess.

Nostalgia is likely to be strong among old *Phillipian* hands, who are not likely to forget spending up to thirty hours a week in neglect of their academic courses, getting an eight-pager out every week. Nevertheless, another former faculty advisor, History Instructor Wayne Frederick, maintains that "the *Phillipian* students get the best education of anybody at Phillips Academy, because they have responsibility in the real world." Last June the *Phillipian* staff got out daily editorials during the four days of Andover's 200th anniversary.

Six years the *Phillipian* board took out a loan from the Academy to buy its own computerized typesetting and headline equipment; the staff now sets all its own copy and most of its advertising, employs a skilled typesetter and upon occasion sells these services back to the school. On the other hand, they are picking up their share of the tab for their hundredth birthday celebration, in true professional style.

Soccer and Little League baseball schedules will be carried out this spring on all available Andover playfields.

This was the decision reached Monday night at a conference session involving selectmen with proponents of both youth activity groups, the town manager and department of community services.

Also, town meeting will be asked to appropriate funds for development of additional playfields in the town, utilizing volunteer assistance where possible.

In a continuance of the discussion of assignments of playfields which started a week previous with the school committee, Tom Clark, spring soccer co-ordinator for the Andover Soccer association told selectmen Monday night of the need for fields to accommodate the hundreds of young people participating in the program, as well as providing for the continued conduct of Little League baseball activity.

Clark also asked the town to undertake development of a master plan for field maintenance and development and offered the assistance of his organization in that regard.

Michael Kalil, president of the Little League also asked that sufficient playfields be made available for the spring leagues, which require practice area in addition to fields for games.

The problem resulted from the proposed removing of some of the school fields from use this year in order to provide maintenance and rebuilding of the surface.

Department of Public Works Director Robert E. McQuade recommended that all playfields be made available this year, with the understanding that funds be made available at town meeting for development of new fields. This would allow use of new fields next year and taking some of the present school or playfields out of service for maintenance at that time.

Both the soccer group and Little League officials, with the fields made available, were asked to meet with the community services committee this week to go over the scheduling of the play areas for the spring program.

Selectman James Abramson moved that the fields be made available as well as putting an article in the warrant for new fields. Abramson said that while it probably does not go along with the board's desire not to create any new services in the next budget year, there is a demonstrated need to accommodate a growing program and the board should follow through.

H-P Workers Get Checks

About 1,400 employees of Hewlett-Packard Company's Medical Products Divisions in Massachusetts are receiving cash profit-sharing checks totaling more than \$900,000.

This will be the second cash disbursement in 1978 under HP's profit-sharing plan.

Company-wide HP is distributing about \$24 million to more than 33,600 eligible employees. Total profit-sharing for the year is approximately \$44 million.

HP employees eligible to participate receive two profit-sharing checks a year, one at the midpoint and the other at the end of the year.

Hewlett-Packard, which has had a profit-sharing policy since the company was founded in 1939, is a major designer and manufacturer of electronic, medical, analytical and computing instruments and systems and components.

Appointed To Agency

John T. Eller, executive director of the Massachusetts Housing finance Agency, announced that George J. Fantini, Jr., Senior Vice President and Senior Loan Officer of the BayBank Harvard Trust Company, has been appointed a Member of the Agency.

The appointment for a seven-year term was made by Governor Michael S. Dukakis who administered the oath of office at the State House.

Eller praised the selection of Mr. Fantini and welcomed him to the Agency, saying "with Mr. Fantini's knowledge of the real estate development industry in Massachusetts and his thorough understanding of finance and mortgage lending, he will bring excellent judgement to the agency in its decisions on mortgage lending and the management of its existing loan portfolio."

Fantini, a resident of Andover, received a B.S.A. degree from Bentley college of Accounting and Finance in 1964 and an M.B.A. degree from Boston College in

1972.

From 1964 to 1967 he was with the State Street Bank and Trust Company which promoted him to loan officer in 1969, assistant vice president in 1971, and vice president in 1973. He has served in his present position at the Baybank Harvard Trust Company since 1976. Fantini also serves as the chairman of the BayBanks, Inc., real estate committee, and as a BayBank Associate, consulting all BayBanks on real estate lending matters.

Fantini's professional memberships include Robert Morris Associates; the American Institute of Bankers; the Greater Boston Real Estate Board; the Massachusetts Association of Realtors; and, the Andover Development and Industrial Commission. He is a former instructor in Investments and Real Estate Analysis at Northeastern University.

Fantini is married to the former Carolyn Kane of Kennington, Maryland and has three daughters, Ellen, Christine, and Amy.

LEGAL NOTICES

TOWN OF ANDOVER NOTICE TO CONTRACTORS

The Town of Andover, Massachusetts (the Awarding Authority) gives notice that it hereby revokes the Invitation for Bid for renovations to the Andover Haven Senior Citizens Center dated December 15, 1978 and hereby issues the following Notice.

INVITATION FOR BIDS

1. The Town of Andover, Massachusetts (the Awarding Authority) invites sealed bids for renovations to the Andover Haven Senior Citizens Center located at 11 Essex Street, Andover, Massachusetts, in accordance with the CONTRACT DOCUMENTS issued by the Town of Andover. Bidding shall be in accordance with Chapter 149 of the General Laws, as amended, and all other Federal, State, and Municipal laws governing public bidding and awarding of contracts. Bids must be received before these times to be considered.

If mailed, bids shall be sent to TOWN MANAGER, Andover Town Hall, Andover, MA 01810.

2. Sealed General Bids, each accompanied by a Bid Bond, Cash, Certified Check, Treasurer's Check, or Cashier's Check, issued by a responsible bank or trust company, payable to the Town of Andover, in an amount not less than 5% of the bid amount, will be received until 2:00 p.m., January 25, 1979.

3. Sealed Filed Sub-bids for the trades listed below, each accompanied by its appropriate bid deposit, will be received until 2:00 p.m., January 18, 1979.

SUBTRADE BID DEPOSIT
Section 9B - Resilient Flooring \$250
Section 9C - Painting \$250
Section 15A - Plumbing \$250
Section 16A - Electrical \$250

Bid deposits, payable to the Town of Andover, shall be either Cash, Certified Check, Bid Bond, Treasurer's Check, or Cashier's Check, issued by a responsible bank or trust company.

4. Minimum wages on the project shall conform to the higher wage rate for each category of work as follows:

a. The Davis-Bacon Act which requires that wage rates shall be not less than the prevailing rate of wages for work of a similar nature in the Town of Andover.

b. Minimum wages on the project are established by a schedule issued by the Commissioner of Labor and Industries, which schedule will be made a part of the contract for the project. A copy of the schedule is included in the CONTRACT DOCUMENTS and additional copies are available from the Awarding Authority upon request.

5. CONTRACT DOCUMENTS may be obtained at the Andover Town Hall after 2:00 p.m. on January 4, 1979. A deposit of \$5.00 (refundable) in the form of Cash or Certified Check made payable to the Town of Andover is required for each complete set of CONTRACT DOCUMENTS. If any bidder wishes the CONTRACT DOCUMENTS mailed to him, an additional non-refundable postage and handling charge of \$5.00 (payable to the Town of Andover) will be required.

6. The successful bidder will be required to furnish a Performance Bond and Labor and Materials or Payment Bond, as set forth in the CONTRACT DOCUMENTS.

7. The work for each specified category shall commence in accordance with the following schedule:
Begin Complete
February 1 February 22 Base Bid
February 22 March 23 Alternates 1 and 2
(Removal of handicapped barriers)

8. The Awarding Authority reserves the right to reject any or all bids if it be in the public interest do so.

Real Estate

By DOUGLAS N. HOWE

REALTOR

HOME-OFFICE DEDUCTION

If you use one room of your home as an office, make sure that you are taking advantage of the tax break that is entitled to you. How much of your home office expenses can be taken as a business expense depends on the size of the room in relation to the rest of the house.

For example, if the house has 1,600 square feet of space and the office measures 10 x 16 feet (or 160 square feet), you are allowed 10% of the total running costs of the house's light, heat, repairs, painting, and other maintenance, depreciation, taxes and so on.

But, remember that the room must be used exclusively for business

use; preferably as a main place of business, or show that the room was necessary to see clients or patients. Also, expenses cannot exceed the income earned from the business.

Also, if you have any valuable equipment in your home office, don't assume that it will be covered by your regular homeowners insurance policy. You'll need a special floater to protect against loss.

If there is anything we can do to help you in the field of real estate, please phone or drop in at THE HOWE AGENCY, 4 Punchard Ave., Andover. Phone: 475-5100. We're here to help.

LAND WANTED!

Thinking of selling...

NOW'S THE TIME!

Local Residential builder looking for land in the Andover - North Andover area. Would prefer 10 acres or more, but still consider everything. All calls welcome.

DON'T DELAY!

Phone 685-7100 with particulars

Are you overlooking an extraordinary way of life?

These people are.

They're residents of Millpond. An extraordinary community of contemporary townhomes in historic North Andover.

At Millpond, a firm regard for the traditions of the past exists side by side with a healthy respect for the joys of modern living.

Take the townhomes themselves. Like the land they occupy, they are bold, rugged, and natural on the outside. Gracious, expansive, and fully convenient on the inside.

There are tennis courts here. A swimming pool. A private beach and boat dock on historic Stevens Pond.

There are nature trails. And ski trails. And riding paths. All on 22 of the most beautiful acres of New England countryside you've ever seen.

The Millpond lifestyle begins at \$82,800. Why not come out sometime, and take a careful look at this carefully planned community.

To get here, take Rt. 495 to the Mass. Avenue exit (North Andover). Turn left on 125, and one-half mile later, turn right on Pleasant St. Millpond is one-quarter mile down, on Stevens Pond. From Rt. 128, take 95 North to Exit 15 (Rt. 125 to North Andover). At 114/125, turn left. Bear right at first traffic light, staying on 125. Turn right on Pleasant St., about 1/2 mile down. Millpond is a quarter of a mile away.

Auditorium Plans Up For Approval

The Andover School Committee is expected to give its approval to one of two designs for a high school auditorium when it meets Tuesday night.

Each scheme calls for a facility of about 1600 seats, with storage and rehearsal spaces, access from the school as well as the front, and provisions for the handicapped.

The major difference is in the shape, with a semi-circular auditorium requiring more space than a rectangular one.

Architect Jerry Dion of Perley Gilbert Associates actually presented three sets of drawings to the school committee Tuesday night, but Scheme 1 was largely eliminated. Dion called it a "bare bones"

offering that "doesn't do much," and Supt. Kenneth R. Seifert said he couldn't recommend it.

If the auditorium is going to be built solely for school use, Seifert said, "then we have one set of circumstances. But if we're going to have community use, that's something else."

The second two designs resulted, Dion said, from adding input of various theatre, symphony and community groups to the basic educational specifications.

What we tried to do, Dion said, "was to satisfy the majority at the most reasonable cost."

That cost will be in the vicinity of \$65 per square foot, no matter how it's shaped.

the challenges and rewards of work outside the home while raising a family. The panel will include an executive secretary, computer analyst, nursery school teacher, real estate salesperson and personnel counsellor.

Further information may be obtained by contacting Susan Buehler or Patricia Himber of Andover.

Bus To Leave From Parking Lot

Those persons who have arranged for bus transportation to Sanders Theatre, Harvard University, Cambridge, for the Joseph Schwartz Boston Debut may board the bus in the municipal parking lot on Main Street next to Russem's department store. Boarding time is 6:50 p.m. on Sunday, Jan. 14.

Reservations are still available by contacting Robert Goodwin, 82 Central St.

Dion said the auditorium would be added to the right side of the high school, "as planned when the school was originally built," and would fit naturally into the setting there.

Two thousand sea otters along the Big Sur coast of California are expanding their range two miles a year, Massachusetts Audubon reports.

Dion Tuesday night also presented drawings for a 10-classroom addition at the rear of the high school, as well as internal changes that would increase media, library and cafeteria space.

Ahouse

(Continued from Page One)

five members of the Punchard Free School Trustees will also be up for reelection in the March 26 ballot.

Also expiring this year is the three year term on the Greater Lawrence Regional Vocational School held presently by James Booth.

Nomination papers are now available from the town clerk and 107 signatures are needed. Nominations must be filed with the board of registrars of voters by Tuesday, Feb. 20.

Panel On Working Mothers

Working mothers will be the subject for a panel discussion to be held at the January meeting of the Andover-Georgetown Branch American Association of University Women, Thursday, Jan. 18 at 7:30 p.m. at the Atkinson school, North Andover.

A panel of branch members will discuss

Family Breakfast At West

The West Elementary PTO is sponsoring a Family Breakfast Saturday, Jan. 20 in the school cafeteria. Breakfast will be served at 8:30 a.m. and also at 10 a.m.

Reservations are required before Jan. 16.

Sixth graders will do the serving.
